B. Submitting Comments

Please include Docket ID NRC-2012-0270 in the subject line of your comment submission, in order to ensure that the NRC is able to make your

comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information that that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

II. Background

The NRC issues RISs to provide guidance to applicants on the scope and detail of information that should be provided in certificate actions to facilitate staff review.

The NRC staff has developed draft RIS 2012-XX, "Content Specification and Shielding Evaluations for Type B Transportation Packages," to clarify use of NRC staff guidance in NUREG-1609, for the review of content specifications and shielding evaluations included in the CoCs and SARs for Type B transportation packages.

Proposed Action

By this action, the NRC is requesting public comments on the draft RIS. This draft RIS clarifies the NRC's use of staff guidance in NUREG-1609, "Standard Review Plan for Transport Packages for Radioactive Material." The NRC staff will make a final determination regarding issuance of the RIS after it considers any public comments received in response to this request.

Dated at Rockville, Maryland, this 31st day of October, 2012.

For the Nuclear Regulatory Commission.

Mark Lombard,

Director, Division of Spent Fuel Storage and Transportation, Office of Nuclear Material Safety and Safeguards.
