Information Collection Request Title:
OS Think Cultural Health.

Abstract: The Office of Minority
Health (OMH), Office of the Secretary
(OS), Department of Health and Human
Services (DHHS) is requesting approval
from OMB for the Think Cultural Health
(TCH) Web site. The Web site is used to
post information such as cultural
competency, language access and health
disparities articles, and notices of health
disparities conferences for visitors to the
site. The TCH Web site is unlike other
government sites, in that it offers users
the ability to gain cultural health
competency credits through on-line
training and resources in addition to
offering users the option of receiving a
newsletter.

It supports the Office of Minority
Health within the Office of the Secretary
of the Department of Health and Human
Services (HHS/OS/OMH) in complying
with the cultural competency
requirements of the Patient Protection
and Affordable Care Act of 2010 (ACA)
(Pub. L. 111–148), as well as the
Secretary's Plan to Reduce Racial and
Ethnic Health Disparities, the National
Stakeholder Strategy for Achieving
Health Equity, Healthy People 2020, the
Secretary's Strategic Plan priorities, and
the Assistant Secretary for Health's
Public Health Quality agenda.

Agency Information Collection Activities; Submission to OMB for Review and Approval; Public Comment Request

ACTION: Notice.

SUMMARY: In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Electronic Government Office (EGOV), Department of Health and Human Services, will submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB) for review and approval. The ICR is for renewal of the approved information collection assigned OMB control number 4040-0005, scheduled to expire on October 31, 2012. The ICR

also requests categorizing the form as a common form, meaning HHS will only request approval for its own use of the form rather than aggregating the burden estimate across all Federal Agencies as was done for previous actions on this OMB control number. Comments submitted during the first public review of this ICR will be provided to OMB. OMB will accept further comments from the public on this ICR during the review and approval period.

Deadline: Comments on the ICR must be received within 30 days of the issuance of this notice.

ADDRESSES: Submit your comments, including the OMB control number 4040-0005 and document identifier HHS-EGOV-17342-30D, to OIRA_submission@omb.eop.gov or via facsimile to (202) 395-5806. Copies of the supporting statement and any related forms may be requested via email to Information.Collection.Clearance@hhs.gov or by calling (202) 690-6162.

Information Collection Request Title: SF-424 Individual.

Abstract: The SF-424 Individual form is the standard Federal form for grant applications for individuals. It replaced numerous agency-specific forms.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information, and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

HHS estimates that the SF-424 Individual form will take 1 hour to complete. We expect that 1 respondent will use this form.

Once OMB approves the use of this common form, federal agencies may request OMB approval to use this common form without having to publish notices and request public comments for 60 and 30 days. Each agency must account for the burden associated with their use of the common form.
