DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Amendment

In accordance with Departmental Policy, 28 CFR 50.7, notice is hereby given that a proposed First Amendment to RD/RA Consent Decree in *United States of America et al. v. FMC Corporation and J.R. Simplot Company*, Civil Action No. 99-296-E-BLW (D. Idaho), was lodged with the United States District Court for the District of Idaho on August 31, 2010. The proposed First Amendment to the RA/RA Consent Decree amends the consent decree entered on May 9, 2002, by requiring defendant J.R. Simplot Company ("Simplot") to implement EPA's January 20, 2010 Interim Record of Decision Amendment for the Simplot Operable Unit of the Eastern Michaud Flat Superfund Site.

Under the proposed First Amendment to RD/RA Consent Decree, Simplot will implement EPA's January 20, 2010 Interim Record of Decision Amendment according to a Scope of Work which is attached to the First Amendment to RD/RA Consent Decree. Work to be performed by Simplot under the proposed First Amendment to RD/RA Consent Decree includes: An assessment of ongoing and past releases of contaminants of concern (including phosphorus) at or near Simplot's phosphoric acid plant; the development and implementation of a verifiable plan to control the sources of phosphorus and other contaminants of concern within the Simplot operable unit; the installation of a synthetic liner on the receiving surface of the gypsum stack to reduce water from infiltrating through the stack into groundwater; and the continued development, operation, maintenance, and augmentation, to the extent necessary, of the groundwater extraction system to keep contaminant of concern levels at or below cleanup standards. The installation of the liner

will be performed in three phases over a 5 year period. The installation of the enhanced groundwater extraction and monitoring system will be completed in a similar time frame. The estimated cost for implementing the selected amended remedy is approximately \$50 million. The proposed First Amendment to RD/RA Consent Decree includes a covenant not to sue by the United States for the work under Sections 106 and 107 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601 *et seq.* ("CERCLA"), and under Section 7003 of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. 6973.
