

After considering the written submissions on review and the record in this investigation, the Commission has determined to affirm-in-part and reverse-in-part the final ID of the ALJ and to terminate the investigation with a finding of violation of Section 337. Specifically, the Commission has found the following respondents in violation: Precision Measurement International LLC of Westland, Michigan; Sino Legend (Zhangjiagang) Chemical Co., Ltd. of Zhangjiagang City, China; Sino Legend Holding Group, Inc. of Kowloon, Hong Kong; Sino Legend Holding Group Ltd. of Hong Kong; Red Avenue Chemical Co. Ltd. of Shanghai, China; Shanghai Lunsai International Trading Company of Shanghai City, China; Red Avenue Group Limited of Kowloon, Hong Kong; and Sino Legend Holding Group Inc. of Majuro, Marshall Islands. After considering the submissions of the parties on remedy, the public interest, and bonding, the Commission has determined to issue a limited exclusion order for a period of ten (10) years prohibiting the unlicensed importation of rubber resins made using any of the SP-1068 Rubber Resin Trade Secrets that are manufactured by, for, or on behalf of violating respondents or any of their affiliated companies, parents, subsidiaries, licensees, contractors, or other related business entities, or their successors or assigns. The Commission has determined that the public interest factors of 19 U.S.C. 1337(d) do not preclude the issuance of a remedy. The Commission has further determined that the covered products may be imported during the period of Presidential review pursuant to 19 U.S.C. 1337(j) under bond in the amount of 19% of entered value.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

Dated: January 15, 2014.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.

Under the proposed consent decree, Borax shall make a lump sum payment of \$1,225,000 to EPA as reimbursement of response costs, and it shall make a lump sum payment of \$25,000 for civil penalties and damages.
