

### Final Results of Review

Based on our analysis of information obtained after the *Preliminary Results* from the importer's questionnaire responses and the Domestic Interested Parties' comments thereon, we have made not made any changes to the margin calculation methodology for Weishan Zhenyu. For factors of production for which more contemporaneous data have become available since the preliminary results, we updated the factor values accordingly. However, these changes had no impact on the margin. Accordingly, we continue to find that a margin of zero percent exists for Weishan Zhenyu for the period September 1, 2001 through February 28, 2002. The Department will issue assessment instructions directly to BCBP.

### Assessment of Antidumping Duties

Upon completion of this new shipper review, the Department shall determine, and BCBP shall assess, antidumping duties on all appropriate entries. Since we calculated a margin of zero percent, we will instruct BCBP to liquidate the reviewed entries without regard to antidumping duties. The Department will issue appropriate assessment instructions directly to BCBP within 15 days of publication of the final results of review.

### Cash Deposits

Bonding will no longer be permitted to fulfill security requirements for shipments from Weishan Zhenyu of freshwater crawfish tail meat from the PRC entered, or withdrawn from warehouse, for consumption in the United States on or after the publication of this notice in the **Federal Register**. Effective upon publication of these final results for this new shipper review, and since we calculated a margin of zero percent, there will be no cash deposit requirement for shipments of freshwater crawfish tail meat that is both produced and exported by Weishan Zhenyu, entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act. However, we will instruct BCBP to continue the suspension of liquidation of entries of freshwater crawfish tail meat that is both produced and exported by Weishan Zhenyu, and entered on or after the date of publication of these final results. For shipments of freshwater crawfish tail meat exported by Weishan Zhenyu, but not produced by Weishan Zhenyu, cash deposits will be required at the PRC-wide rate in

effect on the date of entry. The PRC-wide rate is currently 223.01 percent. There are no changes to the rates applicable to any other company under this order.

### Notification to Interested Parties

The Department will disclose calculations performed in connection with these final results of review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This new shipper review and notice are in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: July 14, 2003.

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Extension of Time Limit for Preliminary Results of New Shipper Antidumping Duty Review.

**EFFECTIVE DATE:** July 21, 2003.

### FOR FURTHER INFORMATION CONTACT:

Brandon Farlander or Abdelali Elouaradia at (202) 482-0182 or (202) 482-1374, respectively; Antidumping and Countervailing Duty Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

### SUPPLEMENTARY INFORMATION:

#### Background

The Department received timely requests from Shanghai Xiuwei International Trading Co., Ltd. (Shanghai Xiuwei) and Sichuan-Dujiangyan Dubao Bee Industrial Co., Ltd. (Sichuan Dubao), in accordance with 19 CFR 351.214(c), for new shipper reviews of the antidumping duty order on honey from the People's Republic of China (PRC), which has a December annual anniversary month and a June semiannual anniversary month. On January 30, 2003, the Department found that the request for review met all the regulatory requirements set forth in section 351.214(b) of the Department's regulations and initiated this new shipper antidumping review covering the period February 10, 2001, through November 30, 2002. *See Honey from the People's Republic of China: Initiation of New Shipper Antidumping Reviews*, 68 FR 5868 (February 5, 2003). The preliminary results are currently due no later than July 29, 2003.

#### Extension of Time Limits for Preliminary Results

Section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(1) of the regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and final results of review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated, and the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. Specifically, the Department needs additional time to research the appropriate surrogate values used to value raw honey. Moreover, the Department is also researching whether the sales that form the basis of the review request are bona fide sales. In this regard, the Department has issued supplemental questionnaires requesting

additional information about the bona fides of the sales under review. Given the issues in this case, the Department finds that this case is extraordinarily complicated, and cannot be completed within the statutory time limit.

Accordingly, the Department is fully extending the time limit for the completion of the preliminary results by 300 days, to November 26, 2003, in accordance with section 751(a)(2)(B)(iv) of the Act and 351.214(i)(2) of the Department's regulations. The final results will in turn be due 90 days after the date of issuance of the preliminary results, unless extended.

Dated: July 14, 2003.

#### **Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively. Further, the Department may extend the time for making a final determination without extending the time for making a preliminary

determination, if such final determination is made not later than 300 days after the date on which the preliminary determination is published.

#### **Postponement of Final Results**

On July 24, 2002, the Department published a notice of initiation of administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China, covering the period June 1, 2001 to May 31, 2002 (67 FR 48435). On February 14, 2003, the Department published the preliminary results and partial rescission of this administrative review of TRBs from the PRC. *See Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China: Preliminary Results of 2000-2001 Administrative Review and Partial Rescission of Review*, 68 FR 7500 (February 14, 2003) ("Preliminary Results"). In the *Preliminary Results* we stated that we would make our final determination for the antidumping duty investigation no later than 120 days after the date of publication of the preliminary results (*i.e.*, June 14, 2003). On June 12, 2003, we extended the time limit for completion of the final results to not later than July 16, 2003 in accordance with section 751(a)(3)(A) of the Act.

Due to the complexity of the issues, the Department concludes that these reviews are extraordinarily complicated. *See Memorandum from Team to Jeffrey May, "Extension of Time Limit for Final Results,"* dated, July 16, 2003. Therefore, the Department is extending the time limit for completion of these final results to not later than December 11, 2003, in accordance with section 751(a)(3)(A) of the Act.

This extension is in accordance with section 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: July 15, 2003.
