Members of the public will be required to register before entering the meeting.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it on-line through the FSIS Web page located at <http://www.fsis.usda.gov/regulations/2007/Notices/Index/>. FSIS will also make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to constituents and stakeholders. The Update is communicated via Listserv, a free electronic mail subscription service for industry, trade and farm groups, consumer interest groups, allied health professionals, and other individuals who have asked to be included. The Update is available on the FSIS Web page. Through the Listserv and Web page, FSIS is able to provide information to a much broader and more diverse audience. In addition, FSIS offers an e-mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves and have the option to password protect their account.

Done in Washington, DC on July 24, 2007.

Forest Service

Colville National Forest; Washington; Republic Ranger Station Excess Residence Sale

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare an environmental impact statement.

SUMMARY: The Colville National Forest, USDA Forest Service, will prepare an EIS (environmental impact statement) on a proposal to sell a 0.4-acre parcel of land with a residential building, located on the Republic Ranger District administrative compound, within the City of Republic, Ferry County Washington. The parcel and Building are no longer needed to meet public service of Forest Service mission requirements. The Forest Service Facility Realignment and Enhancement Act of 2005 authorized the Secretary of Agriculture to sell administrative sites that are no longer needed for National Forest System purposes. Project implementation is scheduled for Fiscal Year 2008. This project is not associated with the proposed Secure Rural Schools Land Sale Initiative. The Colville National Forest invites written comments and suggestions on the scope of the analysis. The agency will give notice of the full environmental analysis and decision-making process so interested and affected people may participate and contribute to the final decision.

DATES: Comments concerning the scope of the analysis must be received by August 31, 2007. The draft environmental impact statement is expected in November 2007 and the final environmental impact statement is expected in January 2008.

ADDRESSES: Send written comments to Rick Brazell, Forest Supervisor, Colville National Forest, 765 South Main, Colville, WA 99114 (phone 509–684–7000). Comments may be submitted electronically to comments-pacificnorthwest-colville@fs.fed.us. Comments may also be sent by fax to (509) 775–7401. Include your name and mailing address with your comments so documents pertaining to this project may be mailed to you.
