

cooling the SFP by adding makeup water in the unlikely event that there is a complete loss of cooling to the SFP conforms to NRC guidance.

The NRC staff has completed its evaluation of the proposed action and concludes that the proposed revision to the thermal-hydraulic analysis complies with the applicable regulatory documents and will allow for the continued safe storage of spent fuel.

The proposed action will not significantly increase the probability or consequences of accidents, no changes are being made in the types of any effluents that may be released off site, and there is no significant increase in occupational or public radiation exposure. Therefore, there are no significant radiological environmental impacts associated with the proposed action.

With regard to potential nonradiological impacts, the proposed action does not have a potential to affect any historic sites. The proposed action does not involve any physical features of the plant or procedure changes involving a potential nonradiological release. It does not affect nonradiological plant effluents and has no other environmental impact. Therefore, there are no significant nonradiological environmental impacts associated with the proposed action.

Accordingly, the NRC concludes that there are no significant environmental impacts associated with the proposed action.

#### *Environmental Impacts of the Alternatives to the Proposed Action*

As an alternative to the proposed action, the staff considered denial of the proposed action (i.e., the "no-action" alternative). Denial of the application would result in no change in current environmental impacts. The environmental impacts of the proposed action and the alternative action are similar.

#### *Alternative Use of Resources*

This action does not involve the use of any different resources than those previously considered in the Final Environmental Statement for the DAEC dated March 1973.

#### *Agencies and Persons Consulted*

On July 11, 2001, the staff consulted with the Iowa State official, Mr. D. McGhee of the Department of Public Health, regarding the environmental impact of the proposed action. The State official had no comments.

### **Finding of No Significant Impact**

On the basis of the environmental assessment, the NRC concludes that the proposed action will not have a significant effect on the quality of the human environment. Accordingly, the NRC has determined not to prepare an environmental impact statement for the proposed action.

For further details with respect to the proposed action, see the licensee's letter dated November 17, 2000, as supplemented by letters dated February 16 and April 9, 2001. Documents may be examined, and/or copied for a fee, at the NRC's Public Document Room, located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible electronically from the Agencywide Documents Access and Management Systems (ADAMS) Public Electronic Reading Room on the Internet at the NRC web site, <http://www.nrc.gov/NRC/ADAMS/index.html>. Persons who do not have access to ADAMS or who encounter problems in accessing the documents located in ADAMS should contact the NRC Public Document Room (PDR) Reference staff by telephone at 1-800-397-4209 or 301-415-4737, or by e-mail at [pdr@nrc.gov](mailto:pdr@nrc.gov).

### **OFFICE OF PERSONNEL MANAGEMENT**

#### **Proposed Collection; Comment Request Review of a Revised Information Collection; OPM 1417**

**AGENCY:** Office of Personnel Management.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management intends to submit to the Office of Management and Budget a request for clearance of a revised information collection. OPM Form 1417, CFC Online Results Report, is used to record Combined Federal Campaign pledge results from each campaign office locally.

Each year, approximately 1.5 million Federal employees make donations to the CFC. These donations are managed by approximately 370 Principle Combined Fund Organizations (PCFOs) across the country. The Form 1417 is submitted by every PCFO annually to report these donations. Each form takes approximately 20 minutes to complete. The annual estimated burden is 124 hours.

Comments are particularly invited on:

- Whether this collection of information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility;
- Whether our estimate of the public burden of this collection is accurate, and based on valid assumptions and methodology; and
- Ways in which we can minimize the burden of the collection of information on those who are to respond, through use of the appropriate technological collection techniques or other forms of information technology.

### **OFFICE OF PERSONNEL MANAGEMENT**

#### **Submission for OMB Review; Comment Request for Reclearance of Revised Information Collections: OPM Forms 1496 and 1496A**

**AGENCY:** Office of Personnel Management.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for reclearance of a revised information collection. OPM Forms 1496 and 1496A, Application for Deferred Retirement (Separations before October 1, 1956) and Application for Deferred Retirement (Separations on or after October 1, 1956) are used by eligible former Federal employees to apply for a deferred Civil Service annuity. Two forms are needed because there is a major revision in the law effective October 1, 1956; this affects the general information provided with the forms.

Approximately 3,000 OPM Forms 1496 and 1496A will be completed annually. We estimate it takes approximately 1 hour to complete both forms. The annual burden is 3,000 hours.

## SECURITIES AND EXCHANGE COMMISSION

### Agency Meetings

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Pub. L. 94-409, that the Securities and Exchange Commission will hold the following meetings during the week of July 23, 2001.

Closed meetings will be held on Monday, July 23, 2001, at 3:00 p.m., Wednesday, July 25, 2001 at 11:00 a.m., and Thursday, July 26, 2001, at 3:00 p.m., and an open meeting will be held on Thursday, July 26, 2001, in Room 1C30, the William O. Douglas Room, at 2:00 p.m.

Commissioner Hunt, as duty officer, determined that no earlier notice thereof was possible.

Commissioners, Counsel to the Commissioners, the Secretary to the Commission, and recording secretaries will attend the closed meetings. Certain

staff members who have an interest in the matters may also be present.

The General Counsel of the Commission, or his designee, has certified that, in his opinion, one or more of the exemptions set forth in 5 U.S.C. 552(b)(5), (7), (9)(A), 9(B), and (10) and 17 CFR 200.402(a)(5), (7), (9)(i), 9(ii) and (10), permit consideration of the scheduled matters at the closed meetings.

The subject matter of the closed meeting scheduled for Monday, July 23, 2001, will be:

Institution and settlement of injunctive actions; and

Institution and settlement of administrative proceedings of an enforcement nature.

The subject matter of the closed meeting scheduled for Wednesday, July 25, 2001, will be:

Institution and settlement of injunctive actions; and

Institution and settlement of administrative proceedings of an enforcement nature.

The subject matter of the open meeting scheduled for Thursday, July 26, 2001, will be:

The Commission will hear oral argument on an appeal by IMS/CPAs & Associates ("IMS"), a registered investment adviser, as well as Vernon T. Hall, Stanley E. Hargrave, and Jerome B. Vernazza, control persons of IMS.

The law judge found that IMS willfully violated the antifraud and reporting provisions of the federal securities laws by making material misrepresentations, and related omissions, to clients in connection with recommending investments in which IMS had a financial interest. The law judge suspended IMS's and Vernazza's investment adviser registrations for six months, suspended Hall, Hargrave, and Vernazza from being associated with an investment adviser for six months, ordered them to cease and desist from future similar violations, and order them to disgorge \$75,032.78 (minus the amount Vernazza previously refunded to clients) plus interest from August 1, 1996.

Among the issues likely to be argued are:

(1) Whether IMS materially misled customers to whom they were recommending investments in PPF funds regarding Respondents' arrangement with World and PPF funds, in violation of the securities laws; and

(2) Whether the sanctions imposed by the law judge are appropriate.
