Trade Policy Staff Committee; Public Comments for Mandated Multilateral Trade Negotiations on Agriculture and Services in the World Trade Organization (WTO) and Priorities for Future Market Access Negotiations on Non-Agricultural Goods

ACTION: Notice and request for comments.

SUMMARY: The Trade Policy Staff Comments (TPSC) is requesting written public comments on general U.S. negotiating objectives as well as country and item-specific export priorities for agriculture and services. The TPSC also seeks public comment on country-specific export priorities for tariffs and non-tariff measures for non-agricultural products. Comments received will be considered by the Executive Branch in formulating U.S. positions and objectives for U.S. participation in the mandated WTO negotiations on agriculture and services and further negotiations on market for non-agricultural products should consensus

emerge among WTO Members to launch negotiations in this area.

DATES: Public comments are due by noon, May 12, 2000.

ADDRESSES: Office of the U.S. Trade Representative, 600 17th Street, N.W., Washington, D.C.

FOR FURTHER INFORMATION CONTACT: Steve Neff, Office of Agricultural Affairs (202) 395-6127 for agriculture; Peter Collins, Office of Services, Investment and Intellectual Property (202) 395-7271 for services; Barbara Chattin, Office of WTO and Multilateral Affairs at (202) 395-5097 for non-agricultural market access; and Gloria Blue, Executive Secretary, Trade Policy Staff Committee, Office of the United States Trade Representatives, (202) 395-3475 for procedural questions concerning public comments.

Information about the WTO can be obtained via the WTO website (www.wto.org). U.S. submissions on agriculture, services and non-agricultural market access made to the WTO General Council as part of the preparatory process for the WTO Ministerial in December 1999 can be found on the USTR website (www.ustr.gov) under "what's new."

SUPPLEMENTARY INFORMATION: The TPSC invites written comments from the public on issues to be addressed in the course of the mandated negotiations on agriculture and services that are underway in the WTO. The Uruguay Round Agreement on Agriculture stipulates in Article 20 that a continuation of the reform process begin "one year before the end of the implementation period," *i.e.*, beginning of 2000. Similarly, the General Agreement on Trade in Services (GATS) provides, in Article XIX, "Members shall enter into successive rounds of negotiations, beginning not later than five years from the date of entry into force of the WTO Agreement * * *." Although not part of the WTO mandated negotiations, the Administration notes that it has received expressions of interest in further negotiations on non-agricultural market access, including tariffs and non-tariff measures for specific products and countries.

For agriculture, topics for negotiating objectives include reforms in each of the areas of market access, domestic support, export competition, and other rules and disciplines affecting trade in agricultural products, including biotechnology. Comments are welcome with as much specificity as the respondent can provide on general or commodity-specific negotiating objectives; country and product specific export interests or barriers; and
