DATES: This rule is effective April 12, 2005.

SUPPLEMENTARY INFORMATION:

Good Cause

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Public comment is not necessary since the purpose of the affected regulations is to regulate the opening and closing of bridges that have been removed. For the same reasons under 5 U.S.C. 553(d)(3), the Coast Guard finds good cause exists for making this rule effective in less than 30 days after publication in the **Federal Register**.

Background and Purpose

The State of Florida (Department of Transportation) has removed five bascule bridges, removing the need for their associated regulations. The following bridges have been removed:

- a. Brooks Memorial (SE 17th Street) bascule span bridge across the Atlantic Intracoastal Waterway, mile 1065.9 at Fort Lauderdale, Broward County, Florida. (33 CFR 117.261(ii))
