BILLING CODE 6560–50–P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[MB Docket No. 22–78; RM–11918; DA 22–516; FR ID 87343]

Television Broadcasting Services Wichita, Kansas

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: On February 23, 2022, the Media Bureau, Video Division (Bureau) issued a *Notice of Proposed Rulemaking (NPRM)* in response to a petition for rulemaking filed by Gray Television Licensee, LLC (Petitioner), the licensee of KSCW–DT (Station), channel 12, Wichita, Kansas, requesting the substitution of channel 28 for channel 12 at Wichita in the Table of Allotments. For the reasons set forth in the *Report and Order* referenced below,

the Bureau amends Federal Communications Commission (FCC or Commission) regulations to substitute channel 28 for channel 12 at Wichita.

DATES: Effective May 19, 2022.

FOR FURTHER INFORMATION CONTACT:

Joyce Bernstein, Media Bureau, at (202) 418–1647 or Joyce.Bernstein@fcc.gov.

SUPPLEMENTARY INFORMATION: The proposed rule was published at 87 FR 12641 on March 7, 2022. The Petitioner filed comments in support of the petition reaffirming its commitment to apply for channel 28. No other comments were filed.

According to the Petitioner, the channel change will resolve significant over-the-air reception problems in the Station’s existing service area. The Petitioner further states that the Commission has recognized the deleterious effects manmade noise has on the reception of digital very high frequency (VHF) signals, and that the propagation characteristics of these channels allow undesired signals and noise to be receivable at relatively farther distances compared to ultra high frequency (UHF) channels and nearby electrical devices can cause interference. Although the proposed channel 28 noise limited contour will fall slightly short of the licensed channel 12 noise limited contour, a terrain-limited analysis using the Commission’s *TVStudy* software demonstrates that there is no predicted loss in population served.

This is a synopsis of the Commission’s *Report and Order*, MB Docket No. 22–78; RM–11918; DA 22–516, adopted May 11, 2022, and released May 11, 2022.
