#### SUPPLEMENTARY INFORMATION:

*Background:* On November 29, 2018, the Department published an NPRM in the **Federal Register** (83 FR 61462), to amend the Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance regulations to provide appropriate standards for how recipients must respond to incidents of sexual harassment. The NPRM established a 60-day comment period through January 28, 2019. However, the Federal eRulemaking Portal was temporarily unavailable for a portion of January 16 and 17, 2019, due to technical issues. To ensure that the public will have had 60 days in total to submit comments on the Department’s NPRM using the Federal eRulemaking Portal, the Department is extending the public comment period for an additional two days. The Department must now receive your comments submitted through the Federal

eRulemaking Portal on or before 11:59 p.m. EST January 30, 2019, hand delivered on or before 5 p.m. EST January 30, 2019, or postmarked on or before January 30, 2019, if delivered by postal mail or commercial delivery.

**ACTION:** Proposed rule; extension of comment period.

**SUMMARY:** The Department of Interior (Department) extends the comment period for its December 28, 2018, notice of proposed rulemaking (NPRM)

concerning the regulations the Department follows in processing records under the Freedom of Information Act. Due to a technical glitch on [www.regulations.gov](http://www.regulations.gov) in mid-January, the Department believes it is appropriate to extend the comment period an additional day to ensure interested parties have the full 30 days to submit their responses to the NPRM. Therefore, the Department extends the deadline for the submission of comments from January 28, 2019, to January 29, 2019.

**DATES:** The comment period for the NPRM published December 28, 2019, at 83 FR 67175, is extended. Comments must be received on or before January 29, 2019.

**FOR FURTHER INFORMATION CONTACT:** Cindy Cafaro, Office of Executive Secretariat and Regulatory Affairs, 202-208-5342.

**SUPPLEMENTARY INFORMATION:**

**Public Participation and Request for Comments**

The Department encourages you to participate by submitting comments and related materials. The Department will consider all comments and material received during the comment period and may change the proposed rule based on your comments.

**Background**

The December 28, 2018, NPRM (83 FR 67175) asked for public comment on the regulations that the Department follows

in processing records under the Freedom of Information Act. The revisions clarify and update procedures for requesting information from the Department and procedures that the Department follows in responding to requests from the public.

**Extension of the Public Comment Period**

The comment period for the NPRM was set to expire on January 28, 2019 (83 FR 67175). Due to a technical glitch on [www.regulations.gov](http://www.regulations.gov) in mid-January, the Department believes it is appropriate to extend the comment period an additional day to ensure interested parties have the full 30 days to submit their responses to the NPRM. Accordingly, the Department extends the comment period for all comments on the NPRM to January 29, 2019.
