Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer at (240) 276-0361.

Project: "Talk. They Hear You." Campaign Evaluation: Case Study (OMB No. 0930-0373)—Extension

The SAMHSA Center for Substance Abuse Prevention (CSAP) is requesting approval from the Office of Management and Budget (OMB) for a replicated data collection, "Talk. They Hear You." Campaign Evaluation: Case Study (the "case study"). This collection includes three instruments:

1. Parent/Caregiver Pre-test/Post-test Survey
2. Youth Pre-test and Post-test Survey
3. Parent/Caregiver Interview Guide

The case study collection is part of a larger effort to evaluate the impact of the "Talk. They Hear You." campaign. This

evaluation will help determine the extent to which the campaign has been successful in educating parents and caregivers nationwide about effective methods for reducing underage drinking. The campaign is designed to educate and empower parents and caregivers to talk with their children about alcohol and other substances. To prevent initiation of underage drinking and substance use, the campaign targets parents and caregivers of children aged 9-20, with the following specific aims:

1. Increasing parents' awareness of the prevalence and risk of underage drinking and substance use;
2. Equipping parents with the knowledge, skills, and confidence to prevent underage drinking and substance use; and
3. Increasing parents' actions to prevent underage drinking and substance use.

For this evaluation, SAMHSA intends to measure knowledge and attitudes before and after a focused campaign outreach effort in areas that have not previously had significant exposure to the campaign. Participants in the evaluation will be recruited from a middle school community and will include parents/caregivers and students. School administrators and partnering organization(s), such as parent/caregiver organizations and/or local educational partner organizations, will assist in the dissemination of campaign materials and data collection efforts. There will be two sites selected for the case study—one site will serve as the experimental group and the other site will serve as the control group. The experimental group will be exposed to the "Talk. They Hear You." messages using standard campaign materials and dissemination strategies, which will be coordinated through the school and potentially a local partner organization. The control group will not be intentionally exposed to the campaign materials. The case study will include baseline surveys of parents/caregivers and children of middle school age in both the experimental and control communities, followed by exposure to campaign materials in the experimental community, and post-exposure surveys of parents/caregivers and children in both communities. Additionally, SAMHSA will conduct 30 interviews with parents and caregivers following the post-exposure surveys at the experimental site to obtain more detailed information about the specific impact of the campaign.

Instrument	Total number of respondents	Total responses/ respondent	Total responses	Hours per response	Total hour burden
Pre-test survey for middle school youth	1,093	1	1,093	0.17	185.8
Post-test survey for middle school youth	1,093	1	1,093	0.17	185.8
Pre-test survey for parents and caregivers	690	1	690	0.17	117.3
Post-test survey for parents and caregivers	690	1	690	0.17	117.3
Individual interviews with parents and caregivers	30	1	30	1	30
Total	1,783	3,596	636.2

Written comments and recommendations concerning the proposed information collection should be sent by March 6, 2020 to the SAMHSA Desk Officer at the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB). To ensure timely receipt of comments, and to avoid potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, commenters are encouraged to submit their comments to OMB via email to OIRA_Submission@omb.eop.gov. Although commenters are encouraged to send their comments via email, commenters may also fax their comments to (202) 395-7285. Commenters may also mail them to the following address: Office of Management and Budget, Office of Information and Regulatory Affairs, New Executive Office Building, Room 10102, Washington, DC 20503.

Jennifer Wilson,
Budget Analyst.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Notice of Meeting for the Interdepartmental Substance Use Disorders Coordinating Committee

AGENCY: Substance Abuse and Mental Health Services Administration, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: The Secretary of Health and Human Services (Secretary) announces a meeting of the Interdepartmental Substance Use Disorders Coordinating Committee (ISUDCC).

The ISUDCC is open to the public and members of the public can attend the meeting via telephone or webcast only, and not in person. Agenda with call-in information will be posted on the SAMHSA website prior to the meeting

at: <https://www.samhsa.gov/about-us/advisory-councils/meetings>. The meeting will include information on support for the mission and work of the Committee, federal advances to address challenges in substance use disorders (SUD); non-federal advances to address challenges in SUD.

Committee Name: Interdepartmental Substance Use Disorders Coordinating Committee (ISUDCC).

Date/Time/Type: February 28, 2020/ 9:30 a.m.—TBD (ET)/OPEN.

ADDRESSES: The meeting will be held at SAMHSA Headquarters, 5600 Fishers Lane, Rockville, Maryland 20857.

The meeting can be accessed via webcast at: <https://www.mymeetings.com/nc/join.php?i=PWXW9890374&p=5772950&t=c> or by joining the teleconference at the toll-free, dial-in number at 1-888-603-6976; passcode 5772950.

SUPPLEMENTARY INFORMATION:

I. Background and Authority

The Interdepartmental Substance Use Disorders Coordinating Committee is required under Section 7022 of the Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment for Patients and Communities Act (SUPPORT Act, Pub. L. 115-271) to accomplish the following duties: (1) Identify areas for improved coordination of activities, if any, related to substance use disorders, including research, services, supports, and prevention activities across all relevant federal agencies; (2) identify and provide to the Secretary recommendations for improving federal programs for the prevention and treatment of, and recovery from, substance use disorders, including by expanding access to prevention, treatment, and recovery services; (3) analyze substance use disorder prevention and treatment strategies in different regions of and populations in the United States and evaluate the extent to which federal substance use disorder prevention and treatment strategies are aligned with State and local substance use disorder prevention and treatment strategies; (4) make recommendations to the Secretary

regarding any appropriate changes with respect to the activities and strategies described in items (1) through (3) above; (5) make recommendations to the Secretary regarding public participation in decisions relating to substance use disorders and the process by which public feedback can be better integrated into such decisions; and (6) make recommendations to ensure that substance use disorder research, services, supports, and prevention activities of the Department of Health and Human Services and other federal agencies are not unnecessarily duplicative.

Not later than one year after the date of the enactment of this Act, and annually thereafter for the life of the Committee, the Committee shall publish on the internet website of the Department of Health and Human Services, which may include the public information dashboard established under section 1711 of the Public Health Service Act, as added by section 7021, a report summarizing the activities carried out by the Committee pursuant to subsection (e), including any findings resulting from such activities.

II. Membership

This ISUDCC consists of federal members listed below or their designees, and non-federal public members.

Federal Membership: Members include, The Secretary of Health and Human Services; The Attorney General of the United States; The Secretary of Labor; The Secretary of Housing and Urban Development; The Secretary of Education; The Secretary of Veterans Affairs; The Commissioner of Social Security; The Assistant Secretary for Mental Health and Substance Use; The Director of National Drug Control Policy; representatives of other Federal agencies that support or conduct activities or programs related to substance use disorders, as determined appropriate by the Secretary.

Non-federal Membership: Members include, 19 non-federal public members appointed by the Secretary, representing individuals who have received
