SUPPLEMENTARY INFORMATION:

Background Information and Regulatory History

On March 14, 2022, we published an NPRM entitled "Special Local Regulation; Nanticoke River, Sharptown, MD" in the **Federal Register** (87 FR 14193). The Coast Guard proposed to establish a temporary special local regulation for certain navigable waters of the Nanticoke River from 11 a.m. on May 13, 2022, through 6 p.m. on May 15, 2022. This action was necessary to provide for the safety of life on these waters during a power boat racing event on May 14, 2022, and May 15, 2022, as well as pre-race practice on May 13, 2022. This rulemaking would have prohibited persons and vessels from entering the regulated area unless authorized by the Captain of the Port Maryland-National Capital Region or the Coast Guard Event Patrol Commander.

Withdrawal

The proposed rule is being withdrawn due to the regulated area no longer being necessary because the event sponsor will no longer be conducting the power boat racing event.

Authority

We issue this notice of withdrawal under the authority of 46 U.S.C. 70041.

Dated: April 21, 2022.

James R. Bendle,

Commander, U.S. Coast Guard, Acting Captain of the Port Maryland-National Capital Region.

RIN 1625-AA08

Special Local Regulation; East River 4th of July Fireworks, New York, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing to establish a special local regulation on the navigable waters of the East River and New York Harbor, New York, NY, for vessel management for the annual 4th of July fireworks displays. This special local regulation allows the Coast Guard to control vessel movement and prohibit all vessel traffic from entering the fireworks barge buffer zone, establish four separate viewing areas, and a moving protection zone around the barges while they are loaded with pyrotechnics. This rule is necessary to provide for the safety of life on the navigable waters immediately before, during, and after a fireworks display that involves multiple barge launch sites on a highly congested waterway. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before May 27, 2022.

ADDRESSES: You may submit comments identified by docket number USCG-2022-0186 using the Federal Decision Making Portal at <https://www.regulations.gov>. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

II. Background, Purpose, and Legal Basis

On March 7, 2022, the Coast Guard received an Application for Marine Event for the annual 4th of July fireworks display. The Captain of the Port New York (COTP) has determined that this event in close proximity to marine traffic poses a significant risk to public safety and property. The special local regulation proposed mimics those limited access areas established for 4th of July in previous years, with the addition of a moving protection zone
