Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that NLMK, Severstal PAO, and Severstal Export GmbH had no shipments of subject merchandise during the POR.² As we have not received any information to contradict our preliminary finding, we continue to find that NLMK, Severstal PAO, and Severstal Export GmbH did not have any shipments of subject merchandise during the POR and intend to issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on the final results of this review.³

Assessment Rates

Commerce determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b).

Further, because we continue to find in these final results that NLMK, Severstal PAO, and Severstal Export GmbH had no shipments of subject merchandise during the POR, any suspended entries that entered under NLMK, Severstal PAO, and Severstal Export GmbH case numbers (*i.e.*, at that company's rate) will be liquidated at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁴ We intend to issue liquidation instructions for NLMK, Severstal PAO, and Severstal Export GmbH to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for NLMK, Severstal PAO, and Severstal Export GmbH will remain unchanged from the rate assigned to them in the most recently completed review of those companies; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 184.56 percent, the all-others rate established in the less-than-fair-value

investigation.⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(a)(1) and 777(i) of the Act.
