SUPPLEMENTARY INFORMATION:

A. Purpose

Federal Acquisition Regulation (FAR) 52.203-7, Anti-Kickback Procedures, requires that all contractors have in place and follow reasonable procedures designed to prevent and detect in its own operations and direct business relationships, violations of section 3 of the Anti-Kickback Act of 1986 (41 U.S.C. 51-58). Whenever prime contractors or subcontractors have reasonable grounds to believe that a violation of section 3 of the Act may have occurred, they are required to report the possible violation in writing to the contracting agency or the Department of Justice. The information is used to determine if any violations of section 3 of the Act have occurred.

SUPPLEMENTARY INFORMATION:

A. Purpose

In accordance with FAR the Contractor shall, within five days after work commences on the contract or another period of time determined by the Contracting Officer, prepare and submit to the Contracting Officer for approval three copies of a practicable schedule showing the order in which the Contractor proposes to perform the work, and the dates on which the Contractor contemplates starting and completing the several salient features

of the work (including acquiring materials, plants, and equipment). The schedule shall be in the form of a progress chart of suitable scale to indicate appropriately the percentage of work scheduled for completion by any given date during the period. If the Contractor fails to submit a schedule within the time prescribes, the Contracting Officer may withhold approval of progress payments until the Contractor submits the required schedule.
