Notice of Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review: Canned Pineapple Fruit From Thailand

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests by producers/exporters of subject merchandise and by the petitioners, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on canned pineapple fruit (CPF) from Thailand. This review covers ten producers/exporters of the subject merchandise. The period of review (POR) is July 1, 1999, through June 30, 2000.

We preliminarily determine that sales have been made below normal value (NV). If these preliminary results are adopted in our final results, we will instruct the U.S. Customs Service to assess antidumping duties based on the difference between the export price (EP) or the constructed export price (CEP), as applicable, and the NV.

Interested parties are invited to comment on the preliminary results. Parties who submit arguments are requested to submit with each

argument: (1) a statement of the issue and (2) a brief summary of the argument. Further, we would appreciate parties submitting written comments to provide the Department with an additional copy of the public version of any such comments on diskette.

EFFECTIVE DATE: April 10, 2001.
