exempt from specific access and accounting provisions of the Privacy Act. See 40 CFR 16.11 and 16.12. However, EPA may, in its discretion, grant individual requests for access if it determines that the exercise of these rights will not interfere with an interest that the exemption is intended to protect. Requests for correction and amendment must identify the record to be changed and the correction sought, and must be made in accordance with the procedures described in EPA's Privacy Act regulations at 40 CFR part 16.

**NOTIFICATION PROCEDURES:**
