

DATES: A public face-to-face meeting of the SAB will be held from 1 p.m. to 5:30 p.m. on November 30, 2004.

ADDRESSES: The SAB meeting will be held at the Washington Terrace Hotel, 1515 Rhode Island Avenue, NW., Washington, DC 20005.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information concerning this meeting should contact Mr. Tom Miller, Designated Federal Officer, EPA Science Advisory Board Staff Office (1400F), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; telephone (202) 343-9982; Fax (202) 233-0643; or via e-mail at miller.tom@epa.gov. General information about the SAB as well as any updates concerning the meetings announced in this notice, may be found on the SAB Web site at <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION:

Background: The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice, consultation, and recommendations to the EPA Administrator on the technical basis for Agency positions and regulations. The EPA has requested that the SAB consider and comment on the Agency's science programs and budget requests for FY 2006. The SAB will hold a series of discussions with EPA offices to gather relevant information and learn more about the Agency's science programs in preparation for its advisory at a face-to-face meeting to be scheduled in February, 2005.

The first meeting, to be held on November 30, 2004, will be fact-finding in nature. Subsequent fact-finding meetings associated with this advisory will be conducted by telephone conference. These meetings or telephone conferences will be announced in the **Federal Register** as time permits. Those meetings that are held without advance notice in the **Federal Register** will be announced on the SAB Web site at least 5 working days prior to each meeting. All SAB meetings or telephone conferences will be open to the public.

Procedures for Providing Public Comments: It is the policy of the EPA SAB to accept written public comments of any length, and to accommodate oral public comments whenever possible. The SAB Staff Office expects that public statements presented at the meeting will not be repetitive of previously submitted oral or written statements. Oral Comments: In general, each individual or group requesting an oral presentation at a face-to-face meeting

will be limited to a total time of ten minutes (unless otherwise indicated). Interested parties should contact the DFO in writing (e-mail, fax or mail—see contact information above) by close of business November 26, 2004 in order to be placed on the public speaker list for the meeting. Speakers should bring at least 35 copies of their comments and presentation slides for distribution to the participants and public at the meeting. Written Comments: Although the SAB Staff Office accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office at least seven business days prior to the meeting date so that the comments may be made available to the panel for their consideration. Comments should be supplied to the DFO at the address/contact information noted above in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: Adobe Acrobat, WordPerfect, Word, or Rich Text files in IBM-PC/Windows 98/2000/XP format). Those providing written comments and who attend the meeting are also asked to bring 35 copies of their comments for public distribution.

Meeting Accommodations: Individuals requiring special accommodation to access the public meetings listed above should contact the DFO at least five business days prior to the meeting so that appropriate arrangements can be made.

Dated: November 4, 2004.

Science Advisory Board Staff Office; Notification of a Science Advisory Board Workshop on Nanotechnology, Biotechnology, and Information Technology

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) is conducting a workshop on nanotechnology, biotechnology, and information technology. The workshop is open to the public, however, seating for the public will be limited and available on a first-come basis only to

those who pre-register (see Workshop Registration below).

DATES: The SAB workshop will be held on Wednesday, December 1, 2004, beginning at 8:30 a.m. and adjourning no later than 1:30 p.m., Thursday, December 2, 2004.

ADDRESSES: The SAB workshop will be held at Washington Terrace Hotel, 1515 Rhode Island Avenue, NW., Washington, DC 20005.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information concerning this workshop should contact Ms. Vickie Richardson, EPA Science Advisory Board Staff Office (1400F), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; telephone (202) 343-9978; Fax (202) 233-0643; or via e-mail at richardson.vickie@epa.gov. General information about the EPA Science Advisory Board, may be found on the SAB Web site (<http://www.epa.gov/sab>).

Workshop Registration—Members of the public wishing to attend must pre-register no later than 12 noon Eastern Time on Friday November 26, 2004. Please pre-register via e-mail or fax to Ms. Vickie Richardson (see above information), providing your name, title, organization, mailing address, phone and e-mail.

SUPPLEMENTARY INFORMATION: The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice, consultation, and recommendations to the EPA Administrator on the technical basis for Agency positions and regulations. The SAB is convening this workshop to learn more about recent developments in nanotechnology, biotechnology and information technology. The workshop is intended to educate and inform the SAB, so that it may better understand the potential applications and implications of these technologies for science and research programs at EPA. The workshop will include advisory members of the SAB, the Clean Air Scientific Advisory Committee (CASAC), the Advisory Council on Clean Air Compliance Analysis (COUNCIL), their committees, and invited EPA and outside experts in the fields of nanotechnology, biotechnology and information technology. It will begin with a series of plenary presentations. Following the plenary overviews, workshop participants will be assigned to break out groups to learn more about the specific topic areas. The Workshop will conclude with the attendees identifying a number of issues that it will consider conducting in order to assist the EPA science programs

develop the necessary flexibility to deal with these issues as they become a larger part of EPA's mission over time.

Although the SAB is a Federal Advisory Committee, this workshop is an administrative meeting and, therefore, not subject to the open meeting requirements of the Federal Advisory Committee Act. However, the Workshop is open to the public. Seating for the public will be limited and available on a first come basis only to those who pre-register (see Workshop Registration above).

A draft Workshop agenda is posted on the SAB Web site under "Recent Additions" (www.epa.gov/sab/whatsnew.htm). An updated Agenda will be posted prior to the Workshop. Workshop Proceedings will be available at a date to be announced on the SAB Web site.

Meeting Access: Individuals requiring special accommodation at this workshop should contact Ms. Richardson at least five business days in advance so that appropriate arrangements can be made.

Dated: November 4, 2004.

Ferbam; Notice of Receipt of Requests for Amendments to Delete Uses in Certain Pesticide Registrations and to Cancel Certain Product Registrations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In accordance with section 6(f)(1) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, EPA is issuing a notice of receipt of request for amendments by registrants to delete uses in certain registrations and to cancel certain product registrations containing the pesticide ferbam. Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be cancelled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any request in the **Federal Register**.

DATES: The deletions are effective on January 11, 2005, unless the Agency receives a written withdrawal request on or before January 11, 2005, or unless the Agency receives substantive comments within the comment period that would merit its further review of these requests. The Agency will consider withdrawal requests postmarked no later than January 11, 2005.

ADDRESSES: Written withdrawal requests may be submitted electronically, by mail, or through hand delivery/courier. Follow the detailed instructions as provided in Unit I. of the **SUPPLEMENTARY INFORMATION**. To ensure proper receipt by EPA, it is imperative that you identify docket identification (ID) number OPP-2004-0337 in the subject line on the first page of your response.

FOR FURTHER INFORMATION CONTACT: Amaris Johnson, Office of Pesticide Programs (7508C), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001; telephone number: (703) 305-9542; e-mail address: johnson.amaris@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. Although, this action may be of particular interest to persons who produce or use pesticides, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the information in this notice, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Copies of this Document and Other Related Information?

1. **Docket.** EPA has established an official public docket for this action under docket ID number OPP-2004-0337. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although, a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1801 S. Bell St., Arlington, VA. This docket facility is open from 8:30 a.m. to

4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. **Electronic access.** You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Although, not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. Once in the system, select "search," then key in the appropriate docket ID number.
