DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

July 9, 2007.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@OMB.EOP.GOV or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Forest Service

Title: National Survey on Recreation and the Environment 2007.

OMB Control Number: 0596-0127.

Summary of Collection: Authorizing legislation for this collection is the Forest and Rangeland Renewable Resources Planning Act, P.L. 93-378-88 Stat. 475. This collection is a multi-agency partnership. Participating Federal Agencies include the Forest Service (FS) (U.S. Department of Agriculture), National Oceanic and Atmospheric Administration (U.S. Department of Commerce) Bureau of Land Management (Department of the Interior), U.S. Coast Guard and the Environmental Protection Agency. Federal land managing agencies are responsible for the management of over 650 million acres of public lands. These lands are managed according to the legislation and overall mission pertaining to each agency. To manage well and wisely, knowledge of recreation demands, opinions, preferences and attitudes regarding the management of these lands is imperative. The survey will be administered using a statistically valid sampling methodology through computer-assisted telephone interviewing techniques.

Need and Use of the Information: FS will collect information nationally from the public to assess trends in recreation participation over the years since the survey was last conducted and to estimate demand for outdoor recreation among the U.S. population. In addition, the survey will collect information from the public on people's attitudes and values toward natural resources and their management. FS will use the information as well as other federal agencies to develop long-range strategic plans, adjust programs and activities to meet customer needs and expectations, and better manage federally owned lands.

Description of Respondents: Individuals or households.

Number of Respondents: 56,830.

Frequency of Responses: Reporting: Other (one time).

Total Burden Hours: 3,326.

Charlene Parker,

Departmental Information Collection Clearance Officer.
