RIN 1615-ZB11

Extension and Redesignation of Somalia for Temporary Protected Status

AGENCY: U.S. Citizenship and Immigration Services, DHS.

ACTION: Notice.

SUMMARY: This notice announces that the Secretary of Homeland Security (Secretary) is both extending the existing designation of Somalia for temporary protected status (TPS) for 18 months from September 18, 2012 through March 17, 2014, and

redesignating Somalia for TPS for 18 months, effective September 18, 2012 through March 17, 2014. The extension allows currently eligible TPS beneficiaries to retain their TPS through March 17, 2014. The redesignation of Somalia allows additional individuals who have been continuously residing in the United States since May 1, 2012, to obtain TPS, if eligible. The Secretary has determined that an extension is warranted because the conditions in Somalia that prompted the TPS designation continue to be met. There continues to be a substantial, but temporary, disruption of living conditions in Somalia based upon ongoing armed conflict and extraordinary and temporary conditions in that country that prevent Somalis who now have TPS from safely returning.

This notice also sets forth procedures necessary for nationals of Somalia (or aliens having no nationality who last habitually resided in Somalia) to re-register under the extension if they already have TPS or to submit an initial registration application under the redesignation, and to file Applications for Employment Authorization (Forms I-765) with U.S. Citizenship and Immigration Services (USCIS).

Under the redesignation, individuals who currently do not have TPS, or a TPS application pending, may apply for TPS from May 1, 2012 through October 29, 2012. In addition to demonstrating continuous residence in the United States since May 1, 2012, USCIS will determine whether initial applicants for TPS under this redesignation have demonstrated that they have been continuously physically present in the United States since September 18, 2012, the effective date of the redesignation of Somalia, before USCIS grants them TPS.

For individuals who have already been granted TPS under the Somalia designation, the 60-day re-registration period will run from May 1, 2012 through July 2, 2012. USCIS will issue new Employment Authorization Documents (EADs) with a March 17, 2014 expiration date to eligible Somali TPS beneficiaries who timely re-register and apply for EADs under this extension.

DATES: *Extension of TPS:* The 18-month extension of the TPS designation of Somalia is effective September 18, 2012, and will remain in effect through March 17, 2014. The 60-day re-registration period begins May 1, 2012 and will remain in effect until July 2, 2012.

Redesignation of Somalia for TPS: The redesignation of Somalia for TPS is effective September 18, 2012, and will
