Requests for additional information may be sent to: NIETC@hq.doe.gov. Questions about the Notice of Intent and Request for Information may be addressed to Molly Roy at (202) 586–2006.

SUPPLEMENTARY INFORMATION: On May 15, 2022, DOE published in the **Federal Register** a Notice of Intent and Request for Information for the Designation of NIETC Program pursuant to the FPA, 88 FR 30956. DOE seeks comments from the public and interested parties on these identified program elements and any additional program elements that should be included to assist in developing final guidelines, procedures, and evaluation criteria for the applicant-driven, route-specific NIETC designation process.

On June 7, 2023, the Department received a request from NARUC for a 30-day deadline extension to the submission deadline comments in response to the Notice of Intent and Request for Information. In its request, NARUC explained that many NARUC member commissions most interested in filing comments have limited staff to devote to federal issues with competing priorities for their time. Furthermore, NARUC stated that there is an upcoming NARUC Summer Policy Summit that could be used by members to discuss relevant issues and develop positions to submit to DOE if the comment period were extended. DOE has reviewed the request and has decided to extend the deadline to allow additional time for the public to submit their comments. A limited extension of the deadline for comments to the Notice of Intent and Request for Information will not prevent the Department from advancing the NIETC designation program in a timely fashion. Therefore, the Department is extending the comment period for the Notice of Intent and Request for Information to July 31, 2023, to provide the public additional time to prepare and submit comments.
