

to the Government-Industry Advisory Panel about its mission and/or the topics to be addressed in this public meeting. Written comments or statements should be submitted to LTC Lunoff, the committee DFO, via electronic mail, the preferred mode of submission, at the email address listed in the **FOR FURTHER INFORMATION CONTACT** section in the following formats: Adobe Acrobat or Microsoft Word. The comment or statement must include the author's name, title, affiliation, address, and daytime telephone number. Written comments or statements being submitted in response to the agenda set forth in this notice must be received by the committee DFO at least five (5) business days prior to the meeting so that they may be made available to the Government-Industry Advisory Panel for its consideration prior to the meeting. Written comments or statements received after this date may not be provided to the panel until its next meeting. Please note that because the panel operates under the provisions of the Federal Advisory Committee Act, as amended, all written comments will be treated as public documents and will be made available for public inspection.

Verbal Comments: Members of the public will be permitted to make verbal comments during the meeting only at the time and in the manner allowed herein. If a member of the public is interested in making a verbal comment at the open meeting, that individual must submit a request, with a brief statement of the subject matter to be addressed by the comment, at least three (3) business days in advance to the committee DFO, via electronic mail, the preferred mode of submission, at the email address listed in the **FOR FURTHER INFORMATION CONTACT** section. The committee DFO will log each request to make a comment, in the order received, and determine whether the subject matter of each comment is relevant to the panel's mission and/or the topics to be addressed in this public meeting. A 30-minute period near the end of the meeting will be available for verbal public comments. Members of the public who have requested to make a verbal comment and whose comments have been deemed relevant under the process described in this paragraph, will be allotted no more than three (3) minutes during this period, and will be invited to speak in the order in which their requests were received by the DFO.

Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW., LBJ, Room 2E-347, Washington, DC 20202-4537.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact NCES Information Collections at NCES.Information.Collections@ed.gov.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information

collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Trends in International Mathematics and Science Study (TIMSS 2019) Pilot Test Recruitment.

OMB Control Number: 1850-0695.

Type of Review: A revision of an existing information collection.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 8,594.

Total Estimated Number of Annual Burden Hours: 2,190.

Abstract: The Trends in Mathematics and Science Study (TIMSS) is an international assessment of fourth and eighth grade students' achievement in mathematics and science. Since its inception in 1995, TIMSS has continued to assess students every 4 years. The United States will participate in TIMSS 2019 to continue to monitor the progress of its students compared to that of other nations and to provide data on factors that may influence student achievement. New in 2019, TIMSS will be a technology-based assessment conducted in an electronic format. TIMSS is designed by the International Association for the Evaluation of Educational Achievement (IEA), and is conducted in the U.S. by the National Center for Education Statistics (NCES). In preparation for the TIMSS 2019 main study, in April 2017, U.S. will participate in a pilot study to assist in the development of eTIMSS and, in March through April 2018, in a field test to evaluate new assessment items and background questions. The TIMSS 2019 Main Study data collection will take place from April through May 2019. This submission is to conduct the

TIMSS 2019 pilot test and to begin recruitment of schools, teachers, and students for the field test study. The pilot test data collection will begin in April 2017 and the recruitment for the field test in May 2017. Recruitment for the main study will begin in May of 2018. In May 2017, NCES will submit a request to conduct the 2018 field test and recruit schools for TIMSS 2019 Main Study.

Title of Collection: Gainful Employment Disclosure Template.

OMB Control Number: 1845–0107.

Type of Review: A revision of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments; Individuals or Households; Private Sector.

Total Estimated Number of Annual Responses: 27,944,411.

Total Estimated Number of Annual Burden Hours: 3,118,160.

Abstract: Under the new disclosure requirements, an institution must provide current and prospective students with information about each of its programs that prepares students for gainful employment in a recognized occupation (GE programs) using a disclosure template provided by the Secretary. The Secretary must specify the information to be included on the disclosure template in a notice published in the **Federal Register**. In accordance with the requirements of

§ 668.412 of the Gainful Employment (GE) final regulations published in the **Federal Register** on October 31, 2014 (79 FR 64890), as corrected on December 4, 2014 (79 FR 71957), this collection describes the items that must be disclosed on the GE disclosure template. This request revises the current information collection for the disclosure template to reflect the new disclosure requirements and provides notice of the information that institutions must disclose. The Department is further requesting that burden currently calculated for 1845–0107 be discharged and transfer the burden already calculated for § 668.412 regarding the GE disclosure requirements from 1845–0123 to this information collection.
