11. International Direct Deposit—31 CFR 210—0960-0686. SSA's International Direct Deposit (IDD) Program allows beneficiaries living abroad to receive their payments via direct deposit to an account at a financial institution outside the United States. SSA uses Form SSA-1199—

(Country) to enroll Title II beneficiaries residing abroad in IDD, and to obtain the direct deposit information for foreign accounts. Routing account number information varies slightly for each foreign country, so we use a variation of the Treasury Department's Form SF-1199A for each country. The

respondents are Social Security beneficiaries residing abroad who want SSA to deposit their Title II benefit payments directly to a foreign financial institution.

Type of Request: Revision of an OMB-approved information collection.

12. Request for Reinstatement (Title XVI)—20 CFR 416.999-416.999d—0960-0744. SSA uses Form SSA-372 to: (1) Inform previously entitled beneficiaries of the expedited reinstatement (EXR) requirements of SSI payments under Title XVI of the Act; and (2) document their requests for EXR. SSA requires this application for

reinstatement of benefits for respondents to obtain SSI disability payments for EXR. When an SSA claims representative learns of individuals whose medical conditions no longer permit them to perform substantial gainful activity as defined in the Act, the claims representative gives the form to the previously entitled individuals

(or mails it to those who request EXR over the phone). SSA employees collect this information whenever an individual files for EXR benefits. The respondents are applicants for EXR of SSI disability payments.

Type of Request: Revision of an OMB-approved information collection.
