

remand in its entirety on December 24, 2014, and entered judgment.

Timken Notice

In its decision in *Timken*, 893 F.2d at 341, as clarified by *Diamond Sawblades*, the CAFC held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), the Department must publish a notice of a court decision that is not “in harmony” with a Department determination and must suspend liquidation of entries pending a “conclusive” court decision. The CIT’s December 24, 2014, judgment affirming the *Final Second Remand* constitutes a final decision of that court that is not in harmony with *AFBs 17*. This notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Results

Because there is now a final court decision, the Department is amending *AFBs 17* with respect to Aisin’s weighted-average dumping margin as redetermined in the *Final First Remand*. The revised weighted-average dumping margin for the period May 1, 2005, to April 30, 2006, for Aisin is 1.13%.

Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision. In the event the Court’s ruling is not appealed, or if appealed and upheld by the Federal Circuit, the Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on entries of the subject merchandise exported by Aisin using the revised assessment rate calculated by the Department in the *Final First Remand* and listed above.

Cash Deposit Requirements

Because we revoked the antidumping duty order on ball bearings and parts thereof from Japan effective September 15, 2011, no cash deposits for estimated antidumping duties on future entries of subject merchandise will be required.⁶

Notification to Interested Parties

Melamine From the People’s Republic of China and Trinidad and Tobago: Postponement of Preliminary Determinations of Countervailing Duty Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

DATES: Effective January 22, 2015.

FOR FURTHER INFORMATION CONTACT:

Andrew Medley, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–4987.

SUPPLEMENTARY INFORMATION:

Background

On December 2, 2014, the Department of Commerce (“Department”) initiated countervailing duty investigations on melamine from the People’s Republic of China (“PRC”) and Trinidad and Tobago.¹ The current deadline for the preliminary determinations of these investigations is no later than February 5, 2015.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, section 703(c)(1)(B) of the Act permits the Department to postpone making the preliminary determination until no later than 130 days after the date on which it initiated the investigation if, among other reasons, the petitioner makes a timely request for a postponement, or the Department concludes that the parties concerned are cooperating and determines that the investigation is extraordinarily complicated. On January

9, 2015, in accordance with 19 CFR 351.205(b)(2), Cornerstone Chemical Company (“Petitioner”) made timely requests to postpone the preliminary countervailing duty determinations.² Therefore, in accordance with section 703(c)(1)(A) of the Act, the Department is hereby postponing the preliminary countervailing duty determinations by 65 days to no later than April 11, 2015. However, because April 11, 2015, falls on a Saturday, the preliminary determinations are now due no later than April 13, 2015.³

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: January 15, 2015.

Assistant Secretary for Enforcement and Compliance.

Renewable Energy and Energy Efficiency Business Directory Survey

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Opportunity to participate in business directory app.

SUMMARY: The U.S. Departments of State, Commerce, and Energy (the “Interagency Team”) announce an opportunity for U.S.-based suppliers and providers of clean energy, smart grid, and energy efficiency solutions to participate in the pilot phase of an interactive directory of renewable energy and energy efficiency solutions. The Interagency Team is currently developing an interactive app to serve as a mobile business directory for U.S. clean energy exporters. The app will highlight sustainability improvements at U.S. diplomatic missions and provide potential business partners globally with a searchable interface to find information on potential U.S. technology and service providers. The app will showcase a diverse array of clean energy goods and services, including renewable energy equipment
