Proposed Collection; 60-Day Comment Request; National Cancer Institute (NCI) Generic Clearance for Application Information From Fellows, Interns, and Trainees

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: In compliance with the requirement of the Paperwork Reduction Act of 1995 to provide opportunity for public comment on proposed data collection projects, the National Cancer Institute (NCI) will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval.

DATES: Comments regarding this information collection are best assured of having their full effect if received within 60 days of the date of this publication.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact: Vivian Horovitch-Kelley, Program Analyst, Office of Management Policy and Compliance, National Cancer Institute, 9609 Medical Center Drive, Room 2W444, Bethesda, Maryland 20892 or call non-toll-free number (240) 276-6850 or Email your request, including your address to: vivian.horovitch-kelley@mail.nih.gov. Formal requests for additional plans and instruments must be requested in writing.

SUPPLEMENTARY INFORMATION: Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 requires: written comments and/or suggestions from the public and affected agencies are invited to address one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Proposed Collection Title: Generic Clearance for Application Information from Fellows, Interns, and Trainees, 0925-XXXX, Exp., Date XX/XXXX, NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: The "Generic Clearance for Application Information from Fellows, Interns, and Trainees" request supports research experiences for high school, post-baccalaureate (including post masters) individuals, graduate students, and postdoctoral fellows, interns, and trainees in a multidisciplinary environment at the National Cancer Institute (NCI). This information collection request is for applications, reference letters, letters of intent and interest, and other related documentation necessary for various Divisions, Offices, and Centers at NCI to evaluate the eligibility, merits, and quality of potential candidates. The applications will also assist in matching potential candidates to various training and internship programs. The information is for internal use to make decisions about candidates invited to visit and attend NCI fellowships, internships, and other training opportunities.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden is 12,500 hours.

ESTIMATED ANNUALIZED BURDEN HOURS

Type of respondent	Number of respondents	Number of responses per respondent	Average time per response (in hours)	Total annual burden hours
Individuals (Applicants)	5,000	1	60/60	5,000
Individuals (Professional Reference)	15,000	1	30/60	7,500
Totals	20,000	20,000	12,500

Substance Abuse and Mental Health Services Administration

Statement of Organization, Functions, and Delegations of Authority

Part M of the Substance Abuse and Mental Health Services Administration (SAMHSA) Statement of Organization, Functions, and Delegations of Authority for the Department of Health and Human Services (DHHS) is amended to reflect the new functional statement for the Office of Financial Resources (OFR) and the Office of Management,

Technology and Operations (OMTO). This notice re-locates the Division of Management Services (DMS), excluding the ethics function, from OMTO to OFR. This change aligns DMS staff under the Director of OFR. The changes include:

Office of Financial Resources (MG)

The Office of Financial Resources (OFR) provides executive-level direction, advice and guidance to the Administrator and SAMHSA components on all aspects of budget, financial management, grants and acquisition management, and provides for the direction and implementation of these activities across the Agency. The OFR has several formal and informal roles.

- Chief Financial Officer (CFO). By delegation, exercises full Agency-wide authority of the responsibilities delineated in the Chief Financial Officers Act of 1990.
- Lead Agency Official for acquisitions responsible for contract policy, planning, review, and management.
- Lead Official for audits and financial statements.
- Lead Agency official for grant policy, planning, review and management.
- Lead official for the annual performance budget, responsible for the formulation, performance analysis and reporting, and presentation of the SAMHSA Budget and Performance Budget submitted to HHS and OMB.

Office of the Director (MG-1)

(1) Carries out all Chief Financial Officer functions provided by the Chief Financial Officers Act of 1990 including conducting the analyses necessary to provide agency managers with reliable financial, cost, and performance information both annually and throughout the year to manage programs and make difficult spending decisions; evaluates and improves financial management systems, controls, and operations to eliminate waste, fraud, abuse, and to improve management of assets; evaluates acquisition, grant, and contracting policy, practices and plans to cut costs and improve effectiveness

and efficiencies; and establishes effective financial organizational structure and financial personnel requirements within the agency; (2) Provides advice and guidance to the Administrator on budget, financial management, and the alignment of program priorities with legislation and agency policies; (3) Represents the agency before OMB in matters of presentation of budgets, performance reporting and resolution of issues arising from the execution of final appropriations; (4) plans, administers, and coordinates the review of grant and cooperative agreement applications and contract proposals.

Office of Financial Advisory Services (MG1A)

Analyses financial and cost information for the Agency; (2) evaluates and improves financial management systems, controls, and operations to eliminate waste, fraud, abuse, and to improve management of assets; and (3) conducts audits and on site reviews of organizations who receive federal funds from SAMHSA to ensure compliance with Federal fiscal and management policies and reduce the risk of waste, fraud, and abuse.

Office of Management, Analysis, and Coordination (MG1B)

(1) Provides leadership, oversight, and guidance serving in the role of a central office for OFR, providing management, analysis, and coordination in support of the CFO and Director of OFR; (2) provides management support to the OFR Director including centralized communication and coordination within OFR and between OFR and other SAMHSA Offices and Centers; (3) serves as liaison with ASFR, OMB, ONDCP, and other external entities; (4) develops and executes Agency-wide procedures relating to implementation and management of the Government Performance and Results Act (GPRA); (5) manages and coordinates program assessment and performance reporting and prepares the Performance Appendix to the annual Performance Budget; (6) both annually and throughout the year conducts analyses of performance
