DEPARTMENT OF THE INTERIOR**Bureau of Reclamation**

**Information Collection Activities;
Proposed Information Collection;
Comment Request**

AGENCY: Bureau of Reclamation,
Interior.

ACTION: Notice and request for
comments.

SUMMARY: In accordance with the
Paperwork Reduction Act of 1995 (44
U.S.C. 3501 *et seq.*), this notice
announces that the Bureau of
Reclamation (we, our, or us) intends to
seek approval of the following proposed
new information collection: Recreation
Visitor Use Surveys. We will use several
distinct forms to collect different types
of recreation information. Before
submitting the information collection
request to the Office of Management and
Budget (OMB) for approval, we are
soliciting comments on specific aspects
of the information collection.

DATES: Comments on this notice must be
received by May 4, 2007.

ADDRESSES: Address all comments
concerning this notice to Bureau of
Reclamation, Office of Program and
Policy Services, Attention: Darrell
Welch (84-53000), PO Box 25007,
Denver CO 80225-0007 or via e-mail at
dwelch@do.usbr.gov.

FOR FURTHER INFORMATION CONTACT: For
further information or a copy of the
proposed collection of information
forms, contact Darrell Welch at 303-
445-2711.

SUPPLEMENTARY INFORMATION: We are
requesting approval for the collection of
data from recreational users of our
lands, rivers, and reservoirs. To meet
our needs for the collection of visitor
use data, we will be requesting OMB to
authorize a two-part request. The first
part of the request provides us with a set
of 11 pre-approved questionnaires to be
administered as approved by OMB.

The second part of the request
consists of OMB and the Bureau of
Reclamation agreeing upon a process
whereby we custom design a survey
instrument to fit a specific situation or
area. The custom designed survey
would be created by extracting
questions from the approved
questionnaires as applicable to the area

and issue being evaluated. Only
questions included in the pre-approved
questionnaires will be used. We will
then submit the new survey form to
OMB for expedited approval.

Title: Recreation Visitor Use Surveys.

Abstract: The Bureau of Reclamation
is responsible for recreation
development at all of its reservoirs.
Presently there are 300 designated
recreation areas on our lands within the
17 Western States hosting almost 90
million visitors annually. Visitation to
our reservoirs is increasing at an average
rate of 1.2 million visitors per year, and
more than 100 million people are
projected to visit our reservoirs by the
early twenty-first century. We must be
able to respond to emerging trends,
changes in the demographic profile of
users, changing values, needs, wants,
and desires, and conflicts between user
groups. Statistically valid and up-to-
date data derived from the user is
essential to developing and providing
recreation programs relevant to today's
visitor.

Respondents: Respondents to the
surveys will be members of the public
engaged in recreational activities on our
lands. Several surveys target people
engaged in specific activities such as
boating on a specific lake, or people
camping at a developed campground.
Visitors will primarily consist of local
residents, people from large
metropolitan areas in the vicinity of the
lake/reservoir, and visitors from out of
state.

Frequency: Varies by survey.

Estimated Total Number of

Respondents: 7,350.

Estimated Number of Responses per
Respondent: 1.0.

Estimated Total of Annual Responses:
7,350.

Estimated Total Annual Burden
Hours on Respondents: 2,013.

Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of our functions, including whether the information will have practical use;

(b) The accuracy of our estimated time and cost burdens of the proposed new collection of information, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, use, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on respondents, including increased use of automated collection techniques or other forms of information technology.

We will summarize all comments received regarding this notice. We will publish that summary in the **Federal Register** when the information collection is submitted to OMB for review and approval.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: January 26, 2007.

DEPARTMENT OF JUSTICE**Office on Violence Against Women**

[OMB Number 1122-0003]

Agency Information Collection**Activities: Extension of a Currently Approved Collection; Comments Requested**

ACTION: 30-Day Notice of Information Collection Under Review: Annual

Progress Report for the STOP Formula Grants Program

The Department of Justice, Office on Violence Against Women (OVW) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 71, Number 247, page 77412-77413, on December 26, 2007, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until April 4, 2007. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to The Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other

technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Annual Progress Report for the STOP Violence Against Women Formula Grants Program.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-0003. U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the 56 STOP state administrators (from 50 states, the District of Columbia and five territories and commonwealths (Guam, Puerto Rico, American Samoa, Virgin Islands, Northern Mariana Islands)) and their subgrantees. The STOP Violence Against Women Formula Grant Program was authorized through the Violence Against Women Act of 1994 (VAWA) and reauthorized and amended by the Violence Against Women Act of 2000 (VAWA 2000) and by the Violence Against Women Act of 2005 (VAWA 2005). Its purpose is to promote a coordinated, multi-disciplinary approach to improving the criminal justice system's response to violence against women. The STOP Formula Grant Program envisions a partnership among law enforcement, prosecution, courts, and victim advocacy organizations to enhance victim safety and hold offenders accountable for their crimes of violence against women. The Department of Justice's Office on Violence Against Women administers the STOP Formula Grant Program. The grant funds must be distributed by STOP state administrators to subgrantees according to a statutory formula (as amended by VAWA 2000 and by VAWA 2005).

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that it will
