Process and Deadline for Submitting Nominations

Any interested person or organization may nominate themselves or qualified individuals in the areas of expertise described above. Nominations should be submitted via the BOSC Web site (which is preferred over hard copy) at: <http://www.epa.gov/osp/bosc/nomination.htm>. Nominations should be submitted in time to arrive no later than April 1, 2013. To receive full consideration, nominations should include all of the information requested. EPA's BOSC Staff Office requests: Contact information about the person making the nomination; contact information about the nominee; the disciplinary and specific areas of expertise of the nominee; subcommittee preference; the nominee's curriculum

vita and/or resume; and additional information that would be useful for considering the nomination such as background and qualifications (e.g., current position, educational background, expertise, research areas), experience relevant to one or more of ORD's research programs, service on other advisory committees and professional societies, and availability to participate as a member of the committee/subcommittee. Persons having questions about the nomination procedures, or who are unable to submit nominations through the BOSC Web site, should contact Mr. Greg Susanke, as indicated above in this notice.

Selection Criteria

The BOSC is a balanced and diverse expert committee. The committee and each of its subcommittees possess necessary domains of expertise, depth and breadth of knowledge, and diverse and balanced scientific perspectives. Nominations will be evaluated on the basis of several criteria including: (a) Scientific and/or technical expertise, knowledge, and experience; (b) availability to serve and willingness to commit time to the committee (approximately one to three meetings per year including both face-to-face meetings and teleconferences); (c) absence of financial conflicts of interest; (d) absence of an appearance of a lack of impartiality; (e) skills working on committees and advisory panels; and (f) background and experiences that would contribute to the diversity of viewpoints on the committee/subcommittees, e.g., workforce sector, geographical location, social, cultural, and educational backgrounds, and professional affiliations.

The BOSC Staff Office's evaluation of an absence of financial conflicts of interest will include a review of the "Confidential Financial Disclosure Form for Special Government Employees Serving on Federal Advisory Committees at the U.S. Environmental Protection Agency" (EPA Form 3110-48). This confidential form allows Government Officials to determine whether there is a statutory conflict between that person's public responsibilities (which includes membership on an EPA Federal Advisory Committee) and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation. The form may be viewed and downloaded from the following URL address, http://www.epa.gov/osp/bosc/pdf/EPA_3110-48.pdf.
