Comment Due Date: Comments regarding this information collection are best assured of having their full effect if received within 60 days of the date of this publication.

Proposed Collection: Progress Reports for Center for Global Health's Low and Mid-Income Countries (LMICs) Global Health Collaborations, 0925–NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: The Center for Global Health's (CGH) Low and Mid-Income Countries (LMICs) Global Health Collaborations is proposing new program specific progress report guidelines. The CGH LMIC Global

Health Collaborations are part of a pilot initiative and partnership, between the NCI CGH and the Office of Cancer Centers (OCC), to promote collaborations between the NCI designated Cancer Centers and foreign institutions from Low and Middle Income Countries (LMICs). This collaboration is designed to develop and implement mutually beneficial global cancer research programs by increasing the capability of these countries to participate and partner in cancer research. The proposed guidelines request information about award performance related to objectives, accomplishments, barriers and challenges, collaborators, and findings. The information is gathered six months into the award and 12 months after the award (upon expiry). This information

is needed to monitor the performance of this special program within NCI, funded through three Request for Proposals (RFPs); the first was released April 18, 2013 and CGH expects to release another in 2014 and the final one in 2015. The respondents are the Principal Investigators of the awards. The information will be used to monitor individual award performance and the effectiveness of the program as a whole. Since these projects are funded through the contract mechanism, the PIs will not be required to submit interim and final progress reports like other National Institutes of Health grantees must.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 83.

ESTIMATED ANNUALIZED BURDEN HOURS

Type of respondents	Form name	Number of respondents	Number of responses per respondent	Average time per response (in hours)	Total annual burden hours
Principal Investigators	6 Month Report	15	1	90/60	23
Principal Investigators	12 Month Report	15	1	4	60

Dated: July 22, 2014.

Karla Bailey,

NCI Project Clearance Liaison, National Institutes of Health.

Notice of Kidney Interagency Coordinating Committee Meeting

SUMMARY: The Kidney Interagency Coordinating Committee (KICC) will hold a meeting on September 12, 2014 about assessing public health interventions in chronic kidney disease (CKD). The meeting is open to the public.

DATES: The meeting will be held on September 12, 2014, 9 a.m. to 12 p.m. Individuals wanting to present oral comments must notify the contact person at least 10 days before the meeting date.

ADDRESSES: The meeting will be held in Building 31 on the NIH Campus at 9000 Rockville Pike, Bethesda, MD 20894.

FOR FURTHER INFORMATION CONTACT: For further information concerning this meeting, contact Dr. Andrew S. Narva, Executive Secretary of the Kidney Interagency Coordinating Committee, National Institute of Diabetes and Digestive and Kidney Diseases, 31 Center Drive, Building 31A, Room 9A27, MSC 2560, Bethesda, MD 20892-2560, telephone: 301-594-8864; FAX: 301-480-0243; email: nkdep@info.niddk.nih.gov.

SUPPLEMENTARY INFORMATION: The KICC, chaired by the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), comprises members of the Department of Health and Human Services and other Federal agencies that support kidney-related activities, facilitates cooperation, communication, and collaboration on kidney disease among government entities. KICC meetings, held twice a year, provide an opportunity for Committee members to learn about and discuss current and future kidney programs in KICC member organizations and to identify opportunities for collaboration. The September 12, 2014 KICC meeting will focus on assessing public health interventions in CKD.

Any member of the public interested in presenting oral comments to the Committee should notify the contact

person listed on this notice at least 10 days in advance of the meeting. Interested individuals and representatives or organizations should submit a letter of intent, a brief description of the organization represented, and a written copy of their oral presentation in advance of the meeting. Only one representative of an organization will be allowed to present; oral comments and presentations will be limited to a maximum of 5 minutes. Printed and electronic copies are requested for the record. In addition, any interested person may file written comments with the Committee by forwarding their statement to the contact person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person. Because of time constraints for the meeting, oral comments will be allowed on a first-come, first-serve basis.

Members of the public who would like to receive email notification about future KICC meetings should send a request to nkdep@info.niddk.nih.gov.

Dated: July 10, 2014.

Camille M. Hoover,

Executive Officer, National Institute of Diabetes and Digestive and Kidney Diseases, National Institutes of Health.
