

Reform and Department of Agriculture Reorganization Act of 1994 (Pub. L. 103–354, 108 stat. 3178, 7 U.S.C. 6941 *et seq.*) as successor to the Rural Electrification Administration (REA) with respect to certain programs, including the electric loan and loan guarantee program authorized under the Rural Electrification Act (RE Act) of 1936. The RE Act authorizes and empowers the Administrator of RUS to make and guarantee loans to furnish and improve electric service in rural areas. These loans are amortized over a period of up to 35 years and secured by the borrower's electric assets and/or revenue. RUS will collect information including studies and reports to support borrower loan applications.

Need and Use of the Information: RUS will collect information to determine the eligibility of applicants for loans and loan guarantees under the RE Act; monitor the compliance of borrowers with debt covenants and regulatory requirements in order to protect loan security; ensure that borrowers use loan funds for purposes consistent with the statutory goals of the RE Act; and obtain information on the progress of rural electrification and evaluate the success of RUS program activities. Without the information RUS would be unable to accomplish statutory goals.

Description of Respondents: Not-for-profit institutions; Business or other for-profit.

Number of Respondents: 650.

Frequency of Responses: Reporting: On occasion; Annually.

Total Burden Hours: 66,695.
