**DEPARTMENT OF HEALTH AND HUMAN SERVICES****Administration for Children and Families****Notice of Correction to Availability of Funds for the Projects To Establish Public Assistance Reporting Information System (PARIS) State Partnership Grants**

**AGENCY:** Administration for Children and Families, ACF, DHHS.

**Funding Opportunity Title:** Public Assistance Reporting Information System (PARIS) State Partnership Grants.

**ACTION:** Notice of correction.

**Funding Opportunity Number:** HHS-2005-ACF-OA-TA-0017.

**SUMMARY:** This notice is to inform interested parties of changes made to the Funding Opportunity for Projects to Establish Public Assistance Reporting Information System (PARIS) State Partnership Grants published on Monday, April 25, 2005, with a due date for applications of June 24, 2005, which is now extended until August 8, 2005.

1. The following changes are made to Section I, "Funding Opportunity Description":

a. There will be separate grants awarded to each Member and Partner State, such that a Member State will no longer have fiduciary responsibility for its Partner State [page 21222];

b. The following paragraph is struck: "After evaluation of all grant applications, and if chosen for an award, the Member state will be awarded a grant under which it will act as a fiduciary agent to the Partner state. The Member state will be responsible for all funding that is provided to its

Partner state and will reimburse funding provided hereunder, as costs are incurred, for specific items delineated in its approved grant application budget and in accordance with HHS fiscal and grants management requirements." [page 21222]

and replaced with: "Separate applications for a partnership agreement must be submitted by both the Member State and the Partner State with separate budget requests. An application from a Partner State must identify its Member State and an application from a Member State must identify its Partner State. As costs are incurred for specific items delineated in the approved grant application budgets, States must adhere to HHS fiscal and grants management requirements.";

c. The phrase "Member State" is struck and replaced with "State" in the paragraph that reads: "This list is meant to be illustrative, not exhaustive of the type of issues the Member state should address when preparing the application." [page 21222];

2. The following changes are made to Section I, "Funding Opportunity Description," under the "parameters" list [page 21222]:

a. In the first sentence in paragraph (3), the phrase "the Member State" is replaced with "each applicant" so that the sentence reads, "Each applicant must provide a proposed budget that includes the resources and associated costs it believes are necessary to participate in the match process." The second sentence is revised to read: "The proposed budgets will be evaluated for adequacy, reasonableness, and to ensure that implementation of the partnership will be both operationally effective and successful";
