Animal & Plant Health Inspection Service

Title: Foreign Quarantine Notices.

OMB Control Number: 0579-0049.

Summary of Collection: The United States Department of Agriculture is responsible for preventing plant disease or insect pests from entering the United States, preventing the spread of pests and noxious weeds not widely distributed in the United States, and eradicating those imported pests when eradication is feasible. Under the Plant Protection Act (Title IV, Pub. L. 106-224, 114 Stat. 438, 7 U.S.C. 7701-7772), the Secretary of Agriculture is authorized to prohibit or restrict the importation, entry, exportation, or movement in interstate commerce of plant pests and other articles to prevent the introduction of plant pests into the United States. Implementing the laws is necessary to prevent injurious plant and insect pest from entering the United States, a situation that could produce serious consequences for U.S. agriculture. The Animal and Plant Health Inspection Service (APHIS) is required to collect information from a variety of individuals, both within and outside the United States, who are involved in growing, packing, handling, transporting, and importing foreign plants, roots, bulbs, seeds, importing foreign logs, lumber, other unmanufactured wood articles, and other plant products. APHIS will collect this information using a number of forms.

Need and Use of the Information: APHIS will collect information to ensure that plants, fruits, vegetables, roots, bulbs, seeds, foreign logs, lumber, other unmanufactured wood articles, and other plant products imported into the United States do not harbor plant diseases or insect pests that could cause serious harm to U.S. agriculture.

Description of Respondents: Business or other for-profit; individuals or households; not-for-profit institutions; farms; State, Local or Tribal Government.

Number of Respondents: 90,781.

Frequency of Responses: Recordkeeping; reporting: On occasion.

Total Burden Hours: 95,641.
