k. *Description of Application:* On September 7, 2010, the Markland Project was issued a 30-year license that expires May 1, 2041. The licensee requests the Commission extend the term of the license for an additional 20 years from May 1, 2041, to May 1, 2061. The licensee states in its filing that the extension will make the license term consistent with standard Commission policy of issuing 50-year terms for new licenses for projects located at federal dams. The Markland Project is located at an existing U.S. Army Corps of Engineers dam.

l. *Locations of the Application:* A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street NE., Room 2A, Washington, DC 20426, or by calling (202) 502-8371.
