**AGENCY:** Office of the Chief Information Officer, USDA.

**ACTION:** Notice and request for comments.

**SUMMARY:** The purpose of this notice is to allow 60 days for public comment in the **Federal Register** preceding submission to OMB. In accordance with the Paperwork Reduction Act of 1995, this notice announces the intention of the Office of the Chief Information Officer (OCIO) to request approval for information collection necessary to allow USDA customers to securely and confidently share data and receive services electronically. Authority for obtaining information from customers is included in the Freedom to E-File Act, the Government Paperwork Elimination Act (GPEA), the Electronic Signatures in Global and National Commerce Act (E-SIGN), and the E-Government Act of 2002. Customer information is collected through the USDA eAuthentication Service, located at <http://www.eauth.egov.usda.gov>. USDA's eAuthentication Service plays a vital role in the Expanded Electronic Government (e-Government) initiative of the President's Management Agenda. USDA's eAuthentication Service obtains customer information through an electronic self-registration process provided through the eAuthentication Web site. This voluntary online self-registration process enables USDA customers, as well as employees, to obtain accounts as authorized users that will provide single sign-on capability to access USDA Web applications and services via the Internet. The USDA eAuthentication system stems from the Web-based Centralized Authentication and Authorization Facility (WebCAAF), the former USDA authentication system.
