

under the Act by the compliance date. Applicants also note that the Commission has proposed rule 15a-5 under the Act and agree that the requested order will expire on the effective date of rule 15a-5 under the Act, if adopted.³

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Before a Fund may rely on the requested order, the operation of the Fund in the manner described in the application will be approved by a majority of the Fund's outstanding voting securities, as defined in the Act, or, in the case of a Fund whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the initial shareholder(s) before offering shares of that Fund to the public.

2. Each Fund will disclose in its prospectus the existence, substance and effect of any order granted pursuant to the application. In addition, each Fund will hold itself out to the public as employing the management structure described in the application. The prospectus will prominently disclose that the Adviser has the ultimate responsibility (subject to oversight by the Board) to oversee Subadvisers and recommend their hiring, termination, and replacement.

3. Each Fund will comply with the fund governance standards set forth in rule 0-1(a)(7) under the Act by the compliance date for the rule ("Compliance Date"). Prior to the Compliance Date, a majority of the Board will be Independent Directors, and the nomination of new or additional Independent Directors will be at the discretion of the then-existing Independent Directors.

4. The Adviser will not enter into a Subadvisory Agreement with any Affiliated Subadviser without that agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Fund.

5. When a Subadviser change is proposed for a Fund with an Affiliated Subadviser, the Board, including a majority of the Independent Directors, will make a separate finding, reflected in the Board minutes, that the change is in the best interests of the Fund and its shareholders and does not involve a conflict of interest from which the

Adviser or the Affiliated Subadviser derives an inappropriate advantage.

6. Within 90 days of the hiring of a new Subadviser, shareholders of the affected Fund will be furnished all information about the new Subadviser that would be contained in a proxy statement. Each Fund will meet this condition by providing shareholders with an information statement meeting the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Securities Exchange Act of 1934 within 90 days of the hiring of a new Subadviser.

7. The Adviser will provide general management services to each Fund, including overall supervisory responsibility for the general management and investment of each Fund's assets, and, subject to review and approval by the Board, will (a) Set the Fund's overall investment strategies; (b) evaluate, select, and recommend Subadvisers to manage all or part of the Fund's assets; (c) when appropriate, allocate and reallocate a Fund's assets among multiple Subadvisers; (d) monitor and evaluate the performance of Subadvisers; and (e) implement procedures reasonably designed to ensure that the Subadvisers comply with each Fund's investment objectives, policies and restrictions.

8. No director or officer of the Company, or director, manager or officer of the Adviser, will own, directly or indirectly (other than through a pooled investment vehicle that is not controlled by that director, manager or officer), any interest in a Subadviser, except for (a) ownership of interests in the Adviser or any entity that controls, is controlled by, or is under common control with the Adviser, or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly-traded company that is either a Subadviser or an entity that controls, is controlled by, or is under common control with a Subadviser.

9. The requested order will expire on the effective date of rule 15a-5 under the Act, if adopted.

For the Commission, by the Division of Investment Management, under delegated authority.

4956. Routing

(a) INET Order Routing Process

(1) The INET Order Routing Process shall be available to Participants from 7 a.m. to 8 p.m. Eastern Time, and shall route orders as described below:

(A) Exchange-Listed Routing Options

The System provides [five] *six* routing options for orders in exchange-listed securities. Of these [five] *six*, only [two] *three*—DOT Immediate, [and] DOT Alternative *and DOT Nasdaq*—are available for orders ultimately sought to be directed to either the New York Stock Exchange (“NYSE”) or the American Stock Exchange (“AMEX”). The System also allows firms to send individual orders to the NYSE Direct + System, and to elect to have orders not be sent to the AMEX. The [five] *six* System routing options for NYSE and/or Amex listed orders are:

(i)–(v) No Change.

(vi) *DOT Nasdaq (“DOTN”)—under this option, after checking the INET System for available shares, orders are sent to other available market centers that are owned by Nasdaq, including the Nasdaq Market Center and/or Nasdaq’s Brut Facility for potential execution before the destination exchange. When checking the INET book, the System will seek to execute at the price it would send the order to a non-INET destination market center as designated by the entering party. Any un-executed portion will thereafter be sent to the NYSE or AMEX, as appropriate, at the order’s original limit order price. This option may only be used for orders with time-in-force parameters of either DAY, IOC, or market-on-open/close.*

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq proposes to create a new voluntary routing option for its INET facility that will allow INET users to instruct that orders being ultimately directed to the New York Stock Exchange or the American Stock Exchange first check INET and then the Nasdaq Market Center and/or Nasdaq’s Brut facility for potential execution before being delivered to those exchanges. Nasdaq believes that the above option will enhance the choices available to INET systems users to select the best method to execute proprietary and customer orders across multiple trading venues, and is similar to routing options available through Nasdaq’s Brut facility. In addition, this routing option will allow users to maximize their participation across Nasdaq-owned trading venues so as to take advantage of available volume-based execution fee discounts resulting from activity on all Nasdaq systems. Like all Nasdaq system routing options, applicable principles of best-execution apply to the use of this proposed routing option.

2. Statutory Basis

Nasdaq believes that the proposed rule change, as amended, is consistent with Section 15A of the Act,⁶ in general, and furthers the objectives of Section 15A(b)(6) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, remove impediments to a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Nasdaq has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(6) of Rule 19b–4 thereunder.⁹ Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b–4(f)(6) thereunder. As required under Rule 19b–4(f)(6)(iii), Nasdaq provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to filing the proposal with the Commission or such shorter period as designated by the Commission. Nasdaq has requested that the Commission waive 30-day delayed operational date provisions contained in the above rule, based upon a representation that the proposed rule filing would benefit investors and permit them to select the execution venues that best suit their trading goals, and should, therefore, be provided to investors as soon as possible. For this reason, the Commission designates the proposal to be effective and operative upon filing with the Commission.

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁰

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b–4(f)(6).

¹⁰ The effective date of the original proposed rule change is February 10, 2006 and the effective date of Amendment No. 1 is March 9, 2006. For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change, as amended, under section 19(b)(3)(C) of the Act, the Commission considers the period to commence on March 9, 2006, the date on which Nasdaq submitted Amendment No. 1.
