

Administrative Reviews and Deferral of Initiation of Administrative Review, 76 FR 53404 (August 26, 2011). On August 23, 2011, Vacmet and Polypacks withdrew their requests for an AD administrative review.

Rescission, In Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Vacmet's and Polypacks' requests were submitted within the 90-day period and, thus, are timely. Because Vacmet's and Polypacks' withdrawals of request for an AD administrative review are timely and because no other party requested a review of Vacmet and Polypacks, in accordance with 19 CFR 351.213(d)(1), we are rescinding this AD administrative review with respect to Vacmet and Polypacks.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Vacmet and Polypacks shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification

of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 14, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Application(s) for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before October 11, 2011. Address written comments to Statutory Import Programs Staff, Room 3720, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5 p.m. at the U.S. Department of Commerce in Room 3720.

Docket Number: 11-060. *Applicant:* Brookhaven National Laboratory, 480 Cornell Avenue, Upton, New York 11973. *Instrument:* Electron Microscope. *Manufacturer:* JEOL, Ltd., Japan.

Intended Use: The instrument will be used to study crystalline and electronic structures of energy-related matter including superconductors and thermoelectric materials, using electron diffraction, high resolution imaging, and other techniques. The objectives include determining the links of structures to the physical properties of materials, to help improve the properties of such materials. *Justification for Duty-Free Entry:* There are no instruments of the same general category manufactured in the United States. *Application accepted by Commissioner of Customs:* August 24, 2011.

Dated: September 14, 2011.

Gregory Campbell,

Director, IA Subsidies Enforcement Office.
