

After consideration of substantive public comments on the Revised EIS/GMP (which surfaced no new major issues or information gaps), the NPS decided to prepare an Abbreviated Final Environmental Impact Statement and General Management Plan, dated June 2001. The abbreviated format was used because changes to the revised draft document were minor and confined primarily to factual corrections, which do not modify the analysis. This abbreviated format requires that the material be integrated with the Revised Draft Environmental Impact Statement and General Management Plan to comprise the full record of the environmental impact analysis and public comment.

Conclusion: Alternative 1 provides the most comprehensive and proactive strategy among the alternatives considered for meeting the NPS's purposes, goals, and criteria for managing Death Valley National Park in accordance with Congressional direction, federal laws, and NPS management policies. The selection of Alternative 1, as reflected by the analysis contained in the environmental impact statement, would not result in the impairment of park resources and would allow the NPS to conserve park resources and provide for their enjoyment by visitors. To obtain a copy of the Presentation Plan document when it becomes available, or for the complete Record of Decision at this time, requests may be sent to the Superintendent, Death Valley National Park, Death Valley, California, 92328.

Dated: September 27, 2001.

Grand Portage National Monument, MN; General Management Plan

AGENCY: National Park Service, Interior.

ACTION: Notice of availability of the draft general management plan/draft environmental impact statement for Grand Portage National Monument, Minnesota.

SUMMARY: Pursuant to section 102(2) of the National Environmental Policy Act of 1969, the National Park Service (NPS) announces the availability of the draft general management plan/draft environmental impact statement

(DGMP/DEIS) for Grand Portage National Monument (hereafter "the Monument"). This notice also announces public open houses for the purpose of explaining the DGMP/DEIS and receiving public comments on the DGMP/DEIS.

DATES: There will be a 60-day public review period for comments on this DGMP/DEIS. Comments on the DGMP/DEIS must be received 60-days after the Environmental Protection Agency publishes its notice of availability in the **Federal Register** or following an announcement in local papers, whichever is published later. Public open houses for information about, or to make comment on the DGMP/DEIS will be held in Grand Marais and other locations within the State of Minnesota. Information about time and place will be available by contacting the park at the address below. Open house schedules will be published in state and local papers.

ADDRESSES: Copies of the DGMP/DEIS are available by request by writing to Grand Portage National Monument, P.O. Box 668, Grand Marais, MN 55604-0668, by phone 218-387-2788. The document can be picked-up in person at the Monument's Headquarters, 315 S. Broadway, Grand Marais, MN.

FOR FURTHER INFORMATION CONTACT: Superintendent, Grand Portage National Monument, P.O. Box 668, Grand Marais, MN 55604-0668, or at telephone number 218-387-2788.

SUPPLEMENTARY INFORMATION: The purpose of the general management plan is to set forth the basic management philosophy for the Monument and to provide the strategies for addressing issues and achieving identified management objectives. The DGMP/DEIS describes and analyzes the environmental impacts of a proposed action and three action alternatives for the future management direction of the Monument. A no action alternative is also evaluated. The preferred alternative, Alternative E, is an alternative that was developed to combine actions from the other alternatives to achieve desired results. It would include a year-round heritage center and an Ojibwe Culture Center. Alternative B would attempt to transport visitors back to the 1790's, with maritime transportation along the historic waterfront and additional interpretation of Lake Superior and connecting waterways. Visitors could learn about the maritime aspects of the fur trade, as well as about the Ojibwe culture and heritage. Alternative C would offer a multifaceted visitor experience: several newly reconstructed

structure and interpretive exhibits, a combined heritage center/headquarters open year-round, and an Ojibwe Heritage Cultural Center. Interpretation would encompass prehistoric, historic, and contemporary activities. Alternative D would include a large multifunctional heritage center, which would offer a glimpse into the history of the Grand Portage and its inhabitants. Alternative A is the no-action alternative, which provides a baseline for comparing other action alternatives.

Persons wishing to comment may do so by one of several methods. They may attend the open house noted above. They may mail comments to Superintendent, Grand Portage National Monument, P.O. Box 668, Grand Marais, MN 55604-0668. They also may hand-deliver comments to the Grand Portage National Monument headquarters located at 315 S. Broadway, Grand Marais, MN.
