SUPPLEMENTARY INFORMATION: The Board is discontinuing BGFRS-8, “FRB—Travel Records” because the Board shifted its travel processes to the General Services Administration (GSA) E2 travel system in 2009. The retention periods for the Board’s historic travel records expired in 2015 (six years after final payment or cancellation) or 2019 (for records related to overcharges or deductions). Thus, consistent with the applicable records retention schedule, the Board no longer retains or possesses historic travel records. Accordingly, the Board no longer requires BGFRS-8 “FRB-Travel Records,” and is providing notice of the discontinuation of this system.
