¹ Estimates are provided for a typical annual collection cycle. Hours per respondent type figures and annual person hour totals are based on an average duration of 3.5 years for all award types excluding Conference, EAGER, and RAPID awards (*i.e.*, 40 awards per year). Conference, EAGER, and RAPID awards each have an average duration of 1 year. Therefore, the 69 Full-scale and Broad Implementation respondents listed as completing an annual report are comprised of those projects who received Full-scale and Broad Implementation awards (23 each year) during the prior three years. Similarly, the 51 Research, Pathways, and CRPA respondents listed as completing an annual report are comprised of those projects who received these types of awards (17 each year) over the prior three years.
