

SUMMARY: The Environmental Protection Agency (EPA) is extending the public comment period for its 2022 Proposed Determination to Prohibit and Restrict the Use of Certain Waters Within Defined Areas as Disposal Sites; Pebble Deposit Area, Southwest Alaska issued pursuant to Section 404(c) of the Clean Water Act (CWA). Notice of availability and notice of public hearing were published in the **Federal Register** on May 26, 2022. The notice provided that the public comment period would remain open through July 5, 2022. The public comment period for the 2022 Proposed Determination and the post hearing comment period are hereby extended through September 6, 2022.

DATES: The comment period for the 2022 Proposed Determination published May 26, 2022 (87 FR 32021) is extended. Written comments on the 2022 Proposed Determination must be received on or before September 6, 2022.

ADDRESSES:

I. How to Obtain a Copy of the Proposed Determination: The proposed determination is available primarily via the internet on the EPA Region 10 Bristol Bay site at www.epa.gov/bristolbay.

II. How to Submit Comments to the Docket at www.regulations.gov:

Submit your comments, identified by Docket ID No. EPA-R10-OW-2022-0418, by one of the following methods:

Federal eRulemaking Portal (recommended method of comment submission): Follow the online instructions at <http://www.regulations.gov> for submitting comments.

Email: ow-docket@epa.gov. Include the docket number EPA-R10-OW-2022-0418 in the subject line of the message.

Mail and Hand Delivery/Courier: Send your original comments and three copies to: Water Docket, Environmental Protection Agency, Mail Code 2822T, 1200 Pennsylvania Avenue NW, Washington, DC 20460, Attention: Docket ID No. EPA-R10-OW-2022-0418.

Hand Delivery/Courier: Deliver your comments to EPA Docket Center, EPA West, Room 3334, 1301 Constitution Avenue NW, Washington, DC 20460, Attention: Docket ID No. EPA-R10-OW-2022-0418. Such deliveries are accepted only during the Docket's normal hours of operation, 8:30 a.m. to 4:30 p.m. ET, Monday through Friday (excluding legal holidays). Special arrangements should be made for deliveries of boxed information. The

telephone number for the Water Docket is (202) 566-2426.

Instructions: EPA's policy is that all comments received will be included in the public docket without change and will be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information disclosure of which is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected information through <http://www.regulations.gov> or email. The <http://www.regulations.gov> website is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through <http://www.regulations.gov>, your email address will be captured automatically and included as part of the comment that is placed in the public docket and made publicly available on the internet. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>.

FOR FURTHER INFORMATION CONTACT: For information on the public comment period, contact the Water Docket; telephone: (202) 566-2426 or email: owdocket@epa.gov. For information concerning the proposed determination, contact Erin Seyfried; telephone (206) 553-0040 or email: r10bristolbay@epa.gov. For more information about EPA's efforts in Bristol Bay, copies of the Section 404(c) proposed determination, see <http://www.epa.gov/bristolbay>.

SUPPLEMENTARY INFORMATION: EPA Region 10 has received several communications regarding an extension of the comment period, including requests to extend the comment period by 60 days and 120 days. EPA Region 10 also received requests not to extend the public comment period. EPA Region 10 has considered each of these requests and finds that good cause exists

pursuant to 40 CFR 231.8 to extend the public comment period through September 6, 2022 to provide sufficient time for all parties to meaningfully comment on the 2022 Proposed Determination and supporting documents.

Casey Sixkiller,

Regional Administrator, Region 10.

ENVIRONMENTAL PROTECTION AGENCY

[R01-OW-2022; FRL-9918-01-R1]

Program Requirement Revisions Related to the Public Water System Supervision Program for the State of Connecticut

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Notice is hereby given that the State of Connecticut is revising its approved Public Water System Supervision (PWSS) program to meet the requirements of the Safe Drinking Water Act (SDWA).

DATES: All interested parties may request a public hearing for any of the above EPA determinations. A request for a public hearing must be submitted by July 29, 2022 to the Regional Administrator at the address shown below. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator.

However, if a substantial request for a public hearing is made by this date, a public hearing will be held. If no timely and appropriate request for a hearing is received, and the Regional Administrator does not elect to hold a hearing on his own motion, this determination shall become final and effective July 29, 2022.

Any request for a public hearing shall include the following information: (1) the name, address, and telephone number of the individual organization, or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determination; (3) information that the requesting person intends to submit at such hearing; and (4) the signature of the individual making the request, or if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

ADDRESSES: All documents relating to this determination are available for

inspection between the hours of 8:30 a.m. and 4:00 p.m. Monday through Friday, at the following office(s) below. Please call to arrange a visit.

U.S. Environmental Protection Agency,
Water Division, 5 Post Office
Square, Suite 100, Boston, MA

Connecticut Department of Public
Health, Drinking Water Section, 410
Capital Avenue, Hartford, CT 06134

FOR FURTHER INFORMATION CONTACT:
Stafford Madison, U.S. EPA-New
England, Water Division, telephone
(617) 918-1622.

SUPPLEMENTARY INFORMATION: The State of Connecticut has adopted drinking water regulations for the Arsenic Rule (66 FR 6976) promulgated on January 22, 2001, Ground Water Rule (71 FR 65574) promulgated on November 8, 2006, and Public Notification Rule (65 FR 25982) promulgated on May 4, 2000. After review of documentation submitted by the State, the Environmental Protection Agency (EPA) has determined that the State's rules are no less stringent than the corresponding federal regulations. EPA, therefore, intends to approve the state's PWSS program revision for these three rules.

Authority: Section 1401 (42 U.S.C 300f) and Section 1413 (42 U.S.C 300g-2) of the Safe Drinking Water Act, as amended (1996), and (40 CFR 142.10) of the National Primary Drinking Water Regulations.

Dated: June 24, 2022.

David W. Cash,

Regional Administrator, EPA Region 1—New England.

Information Collections Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this

opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before August 29, 2022. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

Needs and Uses: The Commission is seeking Office of Management and Budget (OMB) approval for the extension of a currently approved collection. The information collection requirements for this information collection are as follows: 47 CFR 76.1700 requires cable system operators to place the public inspection file materials required to be retained by the following rules in the online public file hosted by the Commission, with the exception of existing political file material which cable systems may continue to retain in their local public file until the end of the retention period: Sections 76.1701 (political file), 76.1702 (EEO), 76.1703 (commercial records for children's programming), 76.1705 (performance tests—channels delivered); 76.1707 (leased access); and 76.1709 (availability of signals), 76.1710 (operator interests in video programming), 76.1715 (sponsorship identification), and 76.630 (compatibility with consumer electronics equipment. Cable systems with fewer than 5,000 subscribers may continue to retain their political file locally and are not required to upload new political file material to the online public file until March 1, 2018. In addition, cable systems may elect to retain the material required by Section 76.1708 (principal headend) locally rather than placing this material in the online public file.

47 CFR 76.1700(b) requires cable system operators to make the records required to be retained by the following rules available to local franchising authorities: Sections 76.1704 (proof-of-performance test data) and 76.1713 (complaint resolution).

47 CFR 76.1700(c) requires cable system operators to make the records required to be retained by the following rules available to the Commission: Sections 76.1704 (proof-of-performance test data), 76.1706 (signal leakage logs and repair records), 76.1711 (emergency alert system and activations), 76.1713 (complaint resolution), and 76.1716 (subscriber records).

47 CFR 76.1700(d) exempts cable television systems having fewer than
