8. *The estimated number of annual respondents:* 1.

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 233.

10. *Abstract:* Part 62 sets out the information which must be provided to the NRC by any low-level waste generator or Governor of a State on behalf of generators seeking emergency access to an operating low-level waste disposal facility. The information is required to allow the NRC to determine if denial of disposal constitutes a serious and immediate threat to public health and safety or common defense and security. Part 62 also provides that the commission may grant an exemption from the requirements in this Part upon application of an interested person or upon its own initiative.
