**SUPPLEMENTARY INFORMATION:** Under the PRA (44 U.S.C. 3501–3520), Federal agencies must obtain approval from OMB for each collection of information that they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. The OCC asks that OMB extend its approval of the collection in this notice.

**Title:** Interagency Guidance on Asset Securitization Activities.

**OMB Control No.:** 1557–0217.

**Type of Review:** Regular.

**Description:** In 1999, the OCC issued the Interagency Guidance on Asset Securitization Activities<sup>1</sup> (guidance) in response to a determination that some institutions involved in asset securitization activities had significant weaknesses in their asset securitization practices. The information collection contained in the guidance applies to financial institutions engaged in asset securitization activities and provides that any institution engaged in these activities should maintain a written asset securitization policy, document the fair value of retained interests, and maintain a management information system to monitor asset securitization activities. Financial institution management uses the information collected to ensure the safe and sound operation of the institution's asset securitization activities. The OCC uses the information to evaluate the quality

of an institution's risk management practices.

**Affected Public:** Businesses or other for-profit.

**Burden Estimates:**

**Estimated Number of Respondents:** 35 national banks and Federal savings associations.

**Estimated Annual Burden:** 1,827 hours.

**Frequency of Response:** On occasion.

On March 10, 2022, the OCC published a 60-day notice for this information collection, 87 FR 13792. No comments were received. Comments continue to be solicited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the information collection burden;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
