The PPDC was established under the Federal Advisory Committee Act (FACA), Public Law 92-463, in September 1995 for a 2 year-term and has been renewed every 2 years since that time. The PPDC provides advice and recommendations to OPP on a broad range of pesticide regulatory, policy, and program implementation issues that are associated with evaluating and reducing risks from the use of pesticides. The following sectors are represented on the PPDC: Pesticide industry and trade associations; environmental/public interest and consumer groups; farm worker organizations; pesticide user, grower and commodity groups; Federal and

State/local/Tribal governments; the general public; academia; and public health organizations. Copies of the PPDC charter are filed with appropriate committees of Congress and the Library of Congress and are available upon request. SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

The Agency included in the notice a list of those who may be potentially affected by this action. If you have questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How can I get copies of this document and other related information?

EPA has established a docket for this action under docket identification (ID) number EPA-HQ-OPP-2009-1017. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the Office of Pesticide Programs (OPP) Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

II. Background

The cancellation of Phaeton Corporation's pesticide products, EPA Reg. Nos. 28293-160 and 28293-215 was published in the **Federal Register** of February 25, 2011 (76 FR 10587) (FRL-8833-4). The Cancellation Order was issued following a Notice announcing the requests to voluntarily cancel these products published in the **Federal Register** of November 10, 2010. This Notice was subject to a 30-day comment period during which no comments were received regarding the subject product registrations.

These products were cancelled in error because Phaeton Corporation did not request their voluntary cancellation. The Agency mistakenly included these products in the Cancellation Order and notification was not received during the comment period prior to issuance of the final Cancellation Order. Therefore, EPA Reg. Nos. 28293-160 and 28293-215 should not have been included in the Cancellation Order published in the **Federal Register** of February 25, 2011, and these products maintain active registrations at this time.

III. What does this correction do?

The preamble for FR Doc. 2011-4140 published in the **Federal Register** of February 25, 2011 (76 FR 10587) (FRL-8863-4) is corrected as follows:

1. On page 10588, in Table 1, remove the entries for EPA Reg. No. 028293-00160, for Unicorn House and Carpet Spray 11, and EPA Reg. No. 028293-

00215, for Unicorn IGR Pressurized Spray.

2. On page 10590, in Table 4, remove the Company No. 28293 and the company name and address for "Phaeton Corporation."
