

equipment subject to the FMVSS. The information specified in 49 CFR part 566 need be submitted only on a one-time basis, but must be revised if there are changes in any of the items submitted (as would be the case, for example, if the manufacturer changed its business address or began to manufacture a new type of motor vehicle). The agency accepts these signed Part 566 submissions as electronic attachments, as Adobe Acrobat (PDF) files, contained in e-mails directed to: david.coleman@dot.gov. The agency publishes evidence of its receipt of a manufacturer's submissions on the DOT Internet site at: <http://www.nhtsa.dot.gov/cars/rules/manufacture>.

Affected Public: All motor vehicle and motor vehicle equipment manufacturers producing motor vehicles or motor vehicle equipment covered by a Federal motor vehicle safety standard and intended for sale in the United States.

Estimated Annual Burden: 25 minutes of one staff member's time for each new U.S. market manufacturer, or for each manufacturer revising information previously submitted to the agency.

Estimated Number of Respondents: 630 annually.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

Waybill Sample; Notice of OMB Approval of Information Collection

AGENCY: Surface Transportation Board, DOT.

ACTION: Notice of OMB Approval of Information Collection.

SUMMARY: Pursuant to the Paperwork Reduction Act, 44 U.S.C. 3501, *et seq.* (PRA) and Office of Management and Budget (OMB) regulations at 5 CFR 1320.11, the Surface Transportation Board has obtained OMB approval for the collection of the Waybill Sample. This collection has been assigned OMB Control No. 2140-0015.

OMB may not approve a collection for longer than three years. Therefore, unless renewed, OMB's approval of this collection will expire on December 17, 2010. The display of a currently valid OMB control number for this collection is required by law. Under the PRA and 5 CFR 1320.8, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number.

Anne K. Quinlan,

Acting Secretary.
