INTERNATIONAL TRADE COMMISSION**19 CFR Part 210****Adjudication and Enforcement**

AGENCY: U.S. International Trade Commission.

ACTION: Final rule.

SUMMARY: The U.S. International Trade Commission is adopting as a final rule the proposed rulemaking that revised certain provisions of the agency's rules for investigations and related proceedings under section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) to provide for services of certain Commission documents by overnight delivery and provide one additional day to respond to Commission documents served by overnight delivery. These

rules will ensure effective service of Commission documents on private parties in section 337 investigations and related proceedings.

DATES: *Effective Date:* March 23, 2007.

Applicability Date: The Commission will adopt procedures to implement the rules changes on April 2, 2007.

FOR FURTHER INFORMATION CONTACT:

Clint A. Gerdine, Esq., telephone 202–708–2310, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436. General information concerning the Commission may be obtained by accessing its Internet server (<http://www.usitc.gov>). Hearing-impaired persons are advised that information on the final rulemaking can be obtained by contacting the Commission's TDD terminal on 202–205–1810.

SUPPLEMENTARY INFORMATION: On December 8, 2006 (71 FR 71113), the Commission published a proposed rulemaking that would revise the text of § 210.6 by dividing the current text and designating the portions as paragraphs (a) and (b), adding a new paragraph (c), which provides that a party shall be given one additional day to respond to a Commission document when served by overnight delivery, and adding another new paragraph (d), which defines “overnight delivery”; and amending the text of § 210.7 by revising and redesignating paragraph 210.7(a) as paragraph (a)(1) and adding new paragraph (a)(2).

The sixty day public comment period for the proposed rulemaking closed on February 6, 2007. The Commission received one set of comments, from the ITC Trial Lawyers Association (ITCTLA), in response to the proposed rulemaking. The Commission has considered the ITCTLA comments to expand the scope of documents to be served by overnight delivery to include additional categories of documents. The Commission's response to these comments is that the Commission will consider whether to expand its procedures to include other types of documents after it has gained experience with the new service procedures. Thus, the Commission is adopting the proposed rule as a final rule without any changes.

Regulatory Analysis

The Commission has determined that the final rules do not meet the criteria described in Section 3(f) of Executive Order 12866 (58 FR 51735, Oct. 4, 1993) and thus do not constitute a significant regulatory action for purposes of the Executive Order.

The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) is inapplicable to this rulemaking because it is not one for which a notice of rulemaking is required under 5 U.S.C. 553(b) or any other statute. Although the Commission has chosen to publish a notice of final rulemaking, these proposed regulations are “agency rules of procedure and practice,” and thus are exempt from the notice requirement imposed by 5 U.S.C. 553(b).

These final rules do not contain federalism implications warranting the preparation of a federalism summary impact statement pursuant to Executive Order 13132 (64 FR 43255, Aug. 4, 1999).

No actions are necessary under the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1501 *et seq.*) because the final rules will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and will not significantly or uniquely affect small governments.

The final rules are not major rules as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 801 *et seq.*). Moreover, they are exempt from the reporting requirements of the Contract With America Advancement Act of 1996 (Pub. L. 104–121) because they concern rules of agency organization, procedure, or practice that do not substantially affect the rights or obligations of non-agency parties.

The amendments are not subject to section 3504(h) of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), since they do not contain any new information collection requirements.

■ 3. Amend § 210.7 by revising paragraph (a) to read as follows:

Issued: March 15, 2007.

By Order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

[T.D. TTB–60; Re: Notice No. 58]

RIN: 1513–AB18

Green Valley of Russian River Valley Viticultural Area (2005R–412P)

AGENCY: Alcohol and Tobacco Tax and Trade Bureau, Treasury.

ACTION: Final rule; Treasury decision.

SUMMARY: This Treasury decision renames the "Sonoma County Green Valley" viticultural area in northern California as the "Green Valley of Russian River Valley" viticultural area. This decision does not affect the location, size, or boundary of the viticultural area. We designate viticultural areas to allow vintners to better describe the origin of their wines and to allow consumers to better identify wines they may purchase.

DATES: *Effective Dates:* This final rule is effective on April 23, 2007. Wine bottlers may continue to use approved labels bearing the former viticultural area name until April 23, 2009.

FOR FURTHER INFORMATION CONTACT: N. A. Sutton, Regulations and Rulings Division, Alcohol and Tobacco Tax and Trade Bureau, 925 Lakeville St., No. 158, Petaluma, California 94952; telephone 415–271–1254.

SUPPLEMENTARY INFORMATION:

Background on Viticultural Areas

TTB Authority

Section 105(e) of the Federal Alcohol Administration Act (the FAA Act, 27 U.S.C. 201 *et seq.*) requires that alcohol beverage labels provide consumers with adequate information regarding product identity and prohibits the use of misleading information on those labels. The FAA Act also authorizes the Secretary of the Treasury to issue regulations to carry out its provisions. The Alcohol and Tobacco Tax and Trade Bureau (TTB) administers these regulations.

Part 4 of the TTB regulations (27 CFR part 4) allows the establishment of definitive viticultural areas and the use

of their names as appellations of origin on wine labels and in wine advertisements. Part 9 of the TTB regulations (27 CFR part 9) contains the list of approved viticultural areas.

Definition

Section 4.25(e)(1)(i) of the TTB regulations (27 CFR 4.25(e)(1)(i)) defines a viticultural area for American wine as a delimited grape-growing region distinguishable by geographical features, the boundaries of which have been recognized and defined in part 9 of the regulations. These designations allow vintners and consumers to attribute a given quality, reputation, or other characteristic of a wine made from grapes grown in an area to its geographical origin. The establishment of viticultural areas allows vintners to describe more accurately the origin of their wines to consumers and helps consumers to identify wines they may purchase. Establishment of a viticultural area is neither an approval nor an endorsement by TTB of the wine produced in that area.

Requirements

Section 4.25(e)(2) of the TTB regulations outlines the procedure for proposing an American viticultural area and provides that any interested party may petition TTB to establish a grape-growing region as a viticultural area. Petitioners may use the same procedure to request changes involving existing viticultural areas. Section 9.3(b) of the TTB regulations requires the petition to include—

- Evidence that the proposed viticultural area is locally and/or nationally known by the name specified in the petition;
- Historical or current evidence that supports setting the boundary of the proposed viticultural area as the petition specifies;
- Evidence relating to the geographical features, such as climate, soils, elevation, and physical features, that distinguish the proposed viticultural area from surrounding areas;
- A description of the specific boundary of the proposed viticultural area, based on features found on United States Geological Survey (USGS) maps; and
- A copy of the appropriate USGS map(s) with the proposed viticultural area's boundary prominently marked.

A petition requesting a change to an established viticultural area must include the appropriate evidence described above to support the requested change.
