

(Northern) tendered for filing to become part its FERC Gas Tariff, Fifth Revised Volume No. 1, 38 Revised Sheet No. 66 and 31 Revised Sheet No. 66A, proposed to be effective on April 1, 2006.

Northern further states that copies of the filing have been mailed to each of its customers and interested State Commissions.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Spruance Genco, LLC; Notice of Issuance of Order

April 6, 2006.

Spruance Genco, LLC (Spruance Genco) filed an application for market-based rate authority, with an accompanying tariff. The proposed market-based rate tariff provides for the sale of energy, capacity and ancillary services at market-based rates. Spruance Genco also requested waiver of various Commission regulations. In particular, Spruance Genco requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Spruance Genco.

On April 5, 2006, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the request for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Spruance Genco should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is May 5, 2006.

Absent a request to be heard in opposition by the deadline above, Spruance Genco is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Spruance Genco, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Spruance Genco's issuances of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the

Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number filed to access the document. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Southern Star Central Gas Pipeline, Inc.; Notice of Intent to Prepare an Environmental Assessment for the Proposed Ozark Trails Expansion Project and Request for Comments on Environmental Issues

April 6, 2006.

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental assessment (EA) that will discuss the environmental impacts of the Ozark Trails Expansion Project involving construction and operation of facilities by Southern Star Central Gas Pipeline, Inc. (Southern Star) in (Labette and Montgomery counties, Kansas and Christian, Greene, Jasper, and Newton counties, Missouri).¹ The project would include about 2 miles of various diameter pipelines, uprating 13.5 mile of pipeline from a maximum allowable operating pressure (MAOP) of 720 pounds per square inch gauge (psig) to 877 psig, and modifications at two existing compressor stations. No additional horsepower of compression is proposed. This EA will be used by the Commission in its decision-making process to determine whether the project is in the public convenience and necessity.

If you are a landowner receiving this notice, you may be contacted by a pipeline company representative about the acquisition of an easement to construct, operate, and maintain the

¹ Southern Star's application was filed with the Commission under section 7 of the Natural Gas Act and part 157 of the Commission's regulations.
