DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

[Account Number: 4154-05]

Assistant Secretary for Planning and Evaluation; Notice Inviting Applications for New Awards for a National Poverty Research Center and Area Poverty Research Centers for Fiscal Year 2002

AGENCY: The Office of the Assistant Secretary for Planning and Evaluation (ASPE), HHS.

ACTION: Announcement of the availability of funds and request for applications for a cooperative agreement to establish a National Poverty Research Center and Area Poverty Research Centers.

SUMMARY: ASPE plans to fund one National Poverty Center and three Area Poverty Centers. The National Poverty Center will plan and conduct a broad program of policy research and mentoring of emerging scholars to describe and analyze national, regional and state environment (e.g., economics, demographics) and policies affecting the

poor, particularly those families with children who are poor or at-risk of being poor. This research and evaluation program will focus on important and emerging social policy issues associated with the nature, causes, correlates, and effects of income dynamics, poverty, individual and family functioning and child well-being.

The Area Poverty Centers cooperative agreements are for qualified institutions to provide a focused agenda expanding our understanding of the causes, consequences and effects of poverty in local geographic areas or specific substantive areas, especially in states or regional areas of high concentrations of poverty. These cooperative agreements are intended to create a research opportunity for scholars and institutions otherwise unlikely to participate extensively in HHS programs to support the Nation's poverty research effort. It is anticipated that investigators supported under the Area Poverty Centers will benefit from the opportunity to conduct independent research; that the grantee institutions will benefit from participation in the diverse extramural programs of HHS; and that students will benefit from exposure to and participation in research and be encouraged to pursue graduate studies and careers in the social and behavioral sciences with a focus on poverty.

CLOSING DATE: The closing date for submitting applications under this announcement is August 19, 2002. Please email Audrey Mirsky-Ashby at Audrey.Mirsky-Ashby@hhs.gov by July 18, 2002 to inform the government of your intent to submit an application. Include the name of your organization and whether you are competing for the National Center award or for an Area Center award. Providing notice of intent to submit is not a requirement for submitting an application. However, a notice of intent to submit will help the federal government in the planning for the review process.

ADDRESSES: The National Institute of Child Health and Human Development (NICHD) will be servicing these grants for ASPE. Applications should be submitted to Michael J.
