Housing Agencies (PHAs) use this information in budget submissions which are reviewed and approved by HUD field offices as the basis for obligating the operating fund grant. This information is necessary to calculate the eligibility for the operating fund grant under the Operating Funding Program regulations, as amended. The Operating Fund is designed to provide the amount of operating funds needed for wellmanaged PHAs. PHAs submit the information electronically with these forms.

HUD collects information for the HUD–52723 and HUD–52722 through web-based forms in the Operating Fund Web Portal. HUD discontinued using VBA enhanced Excel tools to collect this data after CY 2022. Web-based forms improve the availability of the forms to PHAs, improve data integrity, and secure transfer of the data from the PHA to HUD. Web-based forms should not increase the burden to complete.

HUD executed the collection of the HUD–52719: Small Rural Frozen Rolling Base (SRFRB) Election and Revision form to implement Section 209(b) of the Economic Growth, Regulatory Relief, and Consumer Protection Act, Public Law 115–174. SRFRB allows eligible small and rural PHAs to freeze a utility's three-year rolling base consumption that is used to calculate Operating Fund grants from one to twenty years. With this form PHAs elect to participate, select the utility, calculate rolling base consumption, and select the term.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.
- (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

HUD encourages interested parties to submit comments in response to these questions.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1363]

Certain Lidar (Light Detection and Ranging) Systems and Components Thereof; Notice of Commission Determination To Review and, on Review, To Affirm With Modification an Initial Determination Terminating the Investigation in Its Entirety Based on an Arbitration Agreement; Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to review and, on review, to affirm with modification an initial determination ("ID") (Order No. 10) of the presiding administrative law judge ("ALJ") granting a motion to terminate the investigation in its entirety based upon an arbitration agreement. The investigation is terminated.

FOR FURTHER INFORMATION CONTACT:

Namo Kim, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-3459. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at https://edis.usitc.gov. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at https://www.usitc.gov. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: On May 17, 2023, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), based on a

complaint filed by Ouster, Inc. of San Francisco, CA ("Ouster"). See 88 FR 31519-20 (May 17, 2023). The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain LiDAR (Light Detection and Ranging) systems and components thereof by reason of the infringement of certain claims of U.S. Patent Nos. 11,175,405; 11,178,381; 11,190,750; 11,287,515; and 11,422,236. Id. The notice of investigation names as respondents Hesai Group of Shanghai, China; Hesai Technology Co., Ltd. of Shanghai, China; and Hesai Inc. of Palo Alto, CA (collectively, "Hesai"). Id. The Office of Unfair Import Investigations ("OUII") is also participating in this investigation. Id.

On June 22, 2023, Hesai filed a motion to terminate or alternatively stay the investigation in its entirety based upon an arbitration provision in a 2020 Litigation Settlement and Patent Cross-License Agreement ("Settlement Agreement") between Hesai Photonics Technology Co. Ltd. ("Hesai Photonics," a subsidiary of respondent Hesai Group) and Velodyne Lidar, Inc. ("Velodyne," now merged with Ouster). On July 7, 2023, Ouster filed an opposition to the motion and OUII filed a response in support of the motion. On July 12, 2023, a case management conference was held to give each of the parties an opportunity to discuss the motion to terminate or stay.

On July 17, 2023, Ouster filed a supplemental brief. On July 18, 2023, OUII filed a sur-reply to Ouster's opposition. On July 20, 2023, Hesai filed a sur-reply to Ouster's opposition.

On August 24, 2023, the ALJ issued the subject ID (Order No. 10) pursuant to Commission Rule 210.21(d), 19 CFR 210.21(d), granting the motion to terminate the investigation in its entirety under 19 U.S.C. 1337(c) because of an arbitration agreement. In particular, the ID finds that (1) "a valid arbitration agreement at ¶ 9.5 exists as part of the Settlement Agreement that binds Ouster and Hesai," (2) "the arbitrability of the dispute between Ouster and Hesai . . . rests with [Judicial Arbitration and Mediation Services, Inc.], London," and (3) "Hesai did not waive its right to arbitrate as Ouster argues." See ID at 4.

On August 31, 2023, Ouster filed a petition for review of the ID with the Commission. On September 8, 2023, Hesai and OUII filed their responses to Ouster's petition.

On September 12, 2023, Ouster filed a notice of recent developments explaining that, on September 5, 2023,
