

applicable environmental and cultural resource laws, is available for review during business hours, 7:30 a.m. to 4:30 p.m. Pacific Time, Monday through Friday, except during Federal holidays, at the Humboldt River Field Office, 5100 East Winnemucca Boulevard, Winnemucca, Nevada 89445.

FOR FURTHER INFORMATION CONTACT:

Jenifer Barnett, Realty Specialist, Humboldt River Field Office, by telephone at 775-623-1582, by email at jbarnett@blm.gov; or you may visit the Humboldt River Field Office at the earlier-listed address. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The lands examined and identified as suitable for conveyance under the R&PP Act are legally described as:

Mount Diablo Meridian, Nevada

T. 42 N., R. 37 E.,
Sec. 4, SE $\frac{1}{4}$ SE $\frac{1}{4}$.

The area described contains 40 acres, according to the official plats of the surveys on file with the BLM.

The proposed school complex would be in Orovada, a census-designated place in the Quinn River Valley, Nevada, which is approximately 45.8 miles north of Winnemucca, Nevada. The new elementary school would replace the existing elementary school that has become difficult to maintain due to its age and condition. The new schoolhouse needs to be built elsewhere because the location of the existing school is also less than adequate, with traffic concerns.

The schoolhouse would include a Primary Education Development Center consisting of an outdoor basketball court, picnic area, rock climbing and jungle gym areas, outdoor running track, water well, septic system, soccer field, and a detached gymnasium that would function as a community center when not in use for school activities. The school would include a library, a cafeteria and kitchen, an art/music room and support room, a STEM lab/flex space, a kindergarten room, three open concept classrooms to serve first through eighth grades, electrical and mechanical rooms, restrooms, a nurse's

room, a teacher's lounge, office space, and a waiting area.

Thirty-two students attend the existing elementary school; however, the new school would be designed to accommodate community growth by including space for additional classrooms to be built later should they be needed. Up to 20 acres would be used to construct the elementary school, gymnasium, parking lots, sports fields, and landscaping. The high school would be developed over the remaining 20 acres and would include a schoolhouse, detached gymnasium, common area, outdoor running track, and desert landscaping. Each school would have paved parking for staff, visitors, and student drop-off areas. The schools would be built using rammed-earth technology and the design would adhere to all state and local laws and codes. Construction of the elementary school would begin in 2023, and the high school would be built afterwards.

The lands identified are not needed for any Federal purpose and it would be in the public's interest to transfer the parcel under the R&PP Act. The lease and subsequent conveyance are consistent with the Resource Management Plan for the Winnemucca District Planning Area.

All interested parties will receive a copy of this notice once it is published in the **Federal Register**. A copy of the notice will also be published in a newspaper of general circulation once a week for three consecutive weeks and mailed to interested parties, adjoining landowners, and appropriate government offices.

Upon publication of this notice in the **Federal Register**, the lands will be segregated from all other forms of appropriation under the public land laws, including location and entry under the mining laws, except for lease or conveyance under the R&PP Act and leasing under the mineral leasing laws.

The lease or conveyance of the land, when issued, will be subject to the following terms, conditions, and reservations:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States Act of August 30, 1890 (43 U.S.C. 945).

2. Provisions of the R&PP Act and all applicable regulations of the Secretary of the Interior.

3. All mineral deposits in the land so patented, and the right to prospect for, mine, and remove such deposits from the same under applicable law and regulations as established by the Secretary of the Interior are reserved to the United States, together with all necessary access and exit rights.

4. Lease or conveyance of the parcel is subject to valid existing rights.

5. An appropriate indemnification clause protecting the United States from claims arising out of the lessee's/patentee's use, occupancy, or operations on the leased/patented lands.

6. Any other reservations that the authorized officer determines appropriate to ensure public access and proper management of Federal lands and interests therein.

Comments on the classification are restricted to whether the land is physically suited for the school complex as proposed, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Interested persons may also submit comments regarding the specific use proposed in the application and plan of development and management, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the lands for a school complex, as proposed.

Any adverse comments will be reviewed by the BLM State Director who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, the classification will become effective on September 8, 2023. The lands will not be offered for lease or conveyance until after the classification becomes effective.

Before including your address, phone number, email address, or other personal identifying information in your comment, be advised that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

(Authority: 43 CFR 2741.5.)

Samuel Burton,

District Manager, Winnemucca District.

BILLING CODE 4331-21-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[BLM_ES_FRN_MO4500171869]

Notice of Filing of Plat of Surveys; Minnesota

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of official filing.

SUMMARY: The plat of survey of the following described lands is scheduled to be officially filed in the Bureau of Land Management (BLM), Eastern States Office, Falls Church, Virginia, 30 days from the date of this publication. The survey, executed at the request of the Bureau of Indian Affairs, Midwest Region, is required for the management of these lands.

DATES: Unless there are protests of this action, the filing of the plat described in this notice will happen 30 days after publication of this notice in the **Federal Register**.

ADDRESSES: Written notices protesting the survey must be sent to the State Director, BLM Eastern States, 5275 Leesburg Pike, Falls Church, Virginia 22041.

FOR FURTHER INFORMATION CONTACT: Frank D. Radford, Chief Cadastral Surveyor for Eastern States; (703) 558-7759; email: fradford@blm.gov; or U.S. Postal Service: BLM-ES, 5275 Leesburg Pike, Suite 102A, Falls Church, Virginia 22041. Attn: Cadastral Survey. Persons who use a telecommunications device for the deaf may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The service is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION:**Fourth Principal Meridian, Minnesota**

The retracement of a portion of the line between Townships 49 and 50 North, Range 17 West, and the survey of an island designated Tract No. 37, Township 49 North, Range 17 West and Tract No. 37, Township 50 North, Range 17 West; locally known as Pine Island, in the St. Louis River, in St. Louis and Carlton Counties, Minnesota.

A person or party who wishes to protest a survey must file a written notice of protest within 30 calendar days from the date of this publication at the address listed in the **ADDRESSES** section of this notice. A notice of protest is considered filed on the date it is received by the State Director for Eastern States during regular business hours; if received after regular business hours, a notice of protest will be considered filed the next business day. Any notice of protest filed after the scheduled date of official filing will be untimely and will not be considered. A statement of reasons for the protest may be filed with the notice of protest and

must be filed within 30 calendar days after the protest is filed. If a notice of protest against the survey is received prior to the date of official filing, the filing will be stayed pending consideration of the protest. A plat will not be officially filed until the next business day after all protests have been dismissed or otherwise resolved.

Before including your address, phone number, email address, or other personal identifying information in your notice of protest or statement of reasons, please be aware that your entire protest, including your personal identifying information may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

A copy of the described plats will be placed in the open files, and available to the public, as a matter of information.

Authority: 43 U.S.C. chap. 3.

Frank D. Radford,

Chief Cadastral Surveyor for Eastern States.

DEPARTMENT OF THE INTERIOR**Bureau of Reclamation**

[RR83550000, 234R5065C6,
RX.59389832.1009676; OMB Control
Number 1006-0023]

Agency Information Collection Activities; Forms to Determine Compliance by Certain Landholders

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of information collection; request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Bureau of Reclamation (Reclamation), are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before September 8, 2023.

ADDRESSES: Send your comments on this information collection request (ICR) by email to Janice Perez, Bureau of Reclamation, Office of Policy and Programs, at janiceperez@usbr.gov. Please reference Office of Management and Budget (OMB) Control Number 1006-0023 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Janice Perez by email at janiceperez@usbr.gov, or by

telephone at (303) 817-4477.

Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (PRA, 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may
