Massachusetts Coastal Railroad, LLC (Mass Coastal), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire from Bay Colony Railroad Corporation (Bay Colony) and to operate approximately 5.92 miles of rail line between milepost QND 0.08 and milepost QND 6.00 in Bristol County, Mass. The verified notice states that Mass Coastal has entered into an agreement with Bay Colony to acquire the assets comprising the Line and will assume, via assignment, the lease for the underlying real property, which is owned by Massachusetts Department of Transportation (MassDOT).¹ Mass Coastal currently has authority to operate the lines connected to both ends of the Line.

Mass Coastal certifies that the proposed acquisition of the Line does not involve any interchange commitments. Mass Coastal further certifies that its projected revenues as a result of this transaction will not exceed those that would qualify it as a Class III

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than December 8, 2023.

SUMMARY: The Maritime Administration (MARAD) announces a site visit for the National Historic Landmark (NHL) Nuclear Ship Savannah (NSS). decommissioning and disposition of the ship.

SUPPLEMENTARY INFORMATION:

I. Background

The decommissioning and disposition of the NSS is an Undertaking under Section 106 of the National Preservation Act (NHPA) of 1966, as amended. Section 106 requires that federal agencies consider views of the public regarding their Undertakings; therefore, in 2020, MARAD established a Federal docket at <https://www.regulations.gov/docket/MARAD-2020-0133> to provide public notice about the NSS Undertaking. The federal docket was also used in 2021 to solicit public comments on the future uses of the NSS. MARAD is continuing to use this same docket to take in public comment, share information, and post agency actions.

The PA for the Decommissioning and Disposition of the NSS is available on the MARAD docket located at www.regulations.gov under docket id “MARAD–2020–0133.” The PA stipulates a deliberative process by which MARAD will consider the disposition of the NSS. This process requires MARAD to make an affirmative, good-faith effort to preserve the NSS. To that end, a Notice of Availability/Request for Information (NOA/RFI) was developed in accordance with Stipulation IV of the PA. The NOA/RFI was published in the **Federal Register** in October and an information session was held in November. The purpose of the NOA/RFI process is to determine preservation interest from entities that may wish to acquire the NSS.

II. Agenda

The agenda will include (1) welcome and introductions; (2) tour of the ship;

and (3) questions. The agenda will also be posted on MARAD's website at <https://www.maritime.dot.gov/outreach/history/maritime-administration-history-program> and on the MARAD docket located at www.regulations.gov under docket id “MARAD–2020–0133.”

III. Public Participation

The site visit(s) will be open to the public. Members of the public who wish to attend in person or online must RSVP to the person listed in the **FOR FURTHER INFORMATION CONTACT** section with your name and affiliation.

Special services. The NSS is not compliant with the Americans with Disabilities Act (ADA). The ship has some capability to accommodate persons with impaired mobility. If you require accommodations to attend the site visit, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The U.S. Department of Transportation is committed to providing all participants equal access to this meeting. If you need alternative formats or services such as sign language, interpretation, or other ancillary aids, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.
