#### Hubbell Power Systems, Inc., Leeds, AL; Notice of Termination of Investigation

Pursuant to section 221 of the Trade Act of 1974, as amended, an investigation was initiated on January 20, 2004, in response to a petition filed by a company official on behalf of workers of Hubbell Power Systems, Inc., Leeds, Alabama.

The investigation revealed that the subject firm did not separate or threaten to separate a significant number or proportion of workers as required by section 222 of the Trade Act of 1974. Significant number or proportion of the workers means that at least three workers in a firm with a workforce of fewer than 50 workers would have to be affected. Separations by the subject firm did not meet this threshold level. Consequently, further investigation would serve no purpose and the investigation has been terminated.

Signed in Washington, DC, this 9th day of March, 2004.

#### National Textiles, Eden, NC; Notice of Revised Determination on Reconsideration

By application of February 6, 2004, a company official requested administrative reconsideration regarding the Department's Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to the workers of the subject firm.

The initial investigation resulted in a negative determination issued on December 15, 2003, based on the finding that imports of cut fabric did not contribute importantly to worker separations at the subject plant and that there was no shift to a foreign country. The denial notice was published in the **Federal Register** on January 16, 2004 (69 FR 2622).

To support the request for reconsideration, the company official supplied additional information to supplement that which was gathered during the initial investigation. Upon further review, it was revealed that the company shifted production of cut fabric to Mexico and Honduras during the relevant period and that this shift contributed importantly to layoffs at the subject firm.

#### Conclusion

After careful review of the facts obtained in the investigation, I determine that there was a shift in production from the workers' firm or subdivision to Mexico and Honduras of articles that are like or directly competitive with those produced by the subject firm or subdivision. In accordance with the provisions of the Act, I make the following certification:

All workers of National Textiles, Eden, North Carolina who became totally or partially separated from employment on or after November 5, 2002 through two years

from the date of certification are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.
